Instructor Introduction

Manuel Guerra is your instructor for this course. He received an Associate of Arts degree from El Paso Community College, a B.F.A degree from the University of Texas-El Paso and an M.F.A from the State University of New York-Albany. For the past 19 years, he has taught different course levels in printmaking and drawing and had vast experience as a press assistant for Master Printer Mike Simms at Lawrence Lithography in Sunland Park, New Mexico. His work has been shown throughout the United States, Mexico, and Europe and is included in museums and private collections.

Course Description

Basic Drawing II is a studio course designed to serve the needs of beginning studio-based art majors. The course expands upon basic skills taught in Drawing I and introduces new materials and avenues of expression with a special emphasis on color and design. Lectures, demonstrations, critiques and viewing of slides are interwoven with in class work time. Students will be given specific drawing assignments for both in class and out of class work. The class environment will encourage the development of critical skills, with frequent critiques and interchange of ideas. This course requires that additional time be spent outside of class hours for completion of homework assignments and in class work.

Course Prerequisite Information

Basic Drawing II • Fall 2014 • ARTF 1304 • CRN 12117 • Manuel Guerra
The prerequisite for Basic Drawing II is ARTF1302. It is strongly suggested that students also complete ARTF 1301 prior to taking Basic Drawing II, and take ARTF 1303 concurrently with Basic Drawing II.

**Course Goals and Objectives**

The goals and objectives of Basic Drawing II include:

* further development of drawing skills necessary to render three-dimensional forms and space in a convincing illusionistic manner.
* experience in handling varied drawing media.
* development of successful compositions.
* exposure to art historical precedents and contemporary artists.
* consideration and development of personal imagery.
* development of improved planning skills and creative thinking.
* continued growth in the ability to think and speak critically about artworks.
* continued development of work ethic and commitment needed to succeed in achieving the above stated goals.

**Course Outcomes**

Students who successfully complete this course:

* will be competent in using line and value to render forms based on observation of the visual world.
* will have experience and competency in handling various drawing media, including color media.
* will be familiar with color terminology and have the skills to use color to build form.
* will be able to develop pictorial space.
* will have a greater understanding of the contemporary art world.
* will have greater confidence in their ability to plan and commit to an idea.
* will have the ability to critically assess their own and other’s work.

**Course Requirements**

Instructional Activities
Demonstrations, discussions, lectures, presentations, peer interaction, lab and homework assignments or readings.
The Shared Studio
Students are expected to clean up and store all personal belongings at the end of each class period. Clean-up is extremely important, as the drawing studio is a community space that is in constant use.

Grading Procedures
Homework and Sketchbook Assignments: Students will be given homework assignments or readings as preparation for or that elaborate on the topics being used in class. They are expected to have sketchbook and homework assignments done on time and be prepared to present them to the class. No late assignments will be accepted.

Participation in Critiques and Class Time: Students will be expected to participate and attend all critiques on time and have assigned work ready for each critique. Missing a critique, excused or unexcused, will deduct 5 points from your final grade. Class time should be used effectively.

Portfolio: All finished drawings should exhibit an understanding of formal qualities, content, and craftsmanship. The work should demonstrate an understanding of conceptual ideas discussed in class. No late portfolios will be accepted.

Grading Scale
Students are expected to perform to the best of their abilities. Understanding that everyone will not be at the same level of performance, grades will be primarily assigned on an individual basis. However it is expected that students will exhibit abilities appropriate for this level. All grades will be based upon a professional evaluation of each student’s performance in regards to the following questions.

*Are your assignments evident of the energy necessary to produce your best work
*Did you work at the highest level of maturity, discipline, and motivation?
*Did you complete all parts of your assignment by the due dates?
*Does your work demonstrate that you have fully comprehended and incorporated the material covered in class?
*Did you fully participate in class activities?
*Have you missed enough classes to affect your grade?

A = Outstanding performance. This student has completed all assignments on time and has gone above and beyond the assignment
requirements. This student has also pushed him or herself formally and conceptually.
B= Good performance. This student has completed all assignments on time and has done so in an above average manner, while exploring conceptual ideas.
C= Satisfactory performance. This student has completed all assignments and handed them in on time.
D= Poor performance. This student has failed to complete assignments on time and has not completed the minimum requirements of the class.
F= Unacceptable performance.

Course Policies

Attendance: The majority of work for the course will take place during the scheduled class meeting. Therefore, attendance is critical to class performance. You are expected to arrive on time and work through the entire class period. There will be a fifteen-minute break. Attendance will be taken at each class meeting. All students will be allowed three absences, excused or unexcused. A total of four absences will lower the final grade a full letter grade. Extenuating circumstance such as incapacitating illness, military service, accident, or death in the immediate family should be supported by satisfactory documentation and will be dealt with on an individual basis. Students who have 3 absences before midterm must provide a medical excuse or they will be dropped after the 4th absence. Grades will be lowered by excessive absences and tardies -- 4 absences = one grade lower (ex. A to B), two tardiness = one absence. Students hold the full responsibility for withdrawing from the course after the fifth absence, failure to do so will result in a failing grade for the course.

No Texting! Please turn off your cell phones before entering class. If, because of an emergency situation, you must have your phone on, inform the instructor, put the phone on silent mode and exit if needed.

Music is not allowed during any instruction, lecture, or during critique. Students may listen to music at a low volume with headphones during any other class time as long as it does not disturb other students.

Bound Note Pad: Each student will keep a note pad for drawing outside of class. Students will have a great deal of freedom in content of the note pad. It will be collected periodically throughout the term. It is advised that students put about ½ hour to an hour per day in their note pads outside of class.
RESEARCH: Students are expected to supplement in-class learning through exhibitions and the library. Art periodicals, drawing and technical books are essential to your visual education. Some suggested periodicals: Art in America, Arts Magazine, Art Week, Art Forum, Art Space, Art News, Art on Paper, Sculpture, New Art Examiner, Flash Art, Bomb, etc. You should at least spend 8 hours a month just browsing in the art stacks.

Incompletes, Withdrawals, Pass/Fail:
Incompletes or “I” grades will be considered for students completing satisfactory or better work and having serious legitimate situations beyond their control requiring additional time to complete the course requirements. All “I” grades are at the discretion of the instructor and the approval of the Department chair.

Students hold the full responsibility for withdrawing from this course if that procedure is elected. Withdrawals must be completed on or before the final date to drop a course with a W. (See calendar at the end of the syllabus.) Students missing this deadline will be issued a grade for their performance in the course.

This is a grade-based course and is not available for audit or pass/fail options.
