Instructor Introduction
Professor Perry has a long-standing passion for the visual arts. She studied art history at the University of New Mexico, where she received her M. A. in Pre-Columbian art. She has taught a variety of art history courses at the University of Nebraska-Lincoln and here at UTEP. She and her family have lived in El Paso for several years.

Course Description
This course is an introduction to the rich and varied history of art and architecture of ancient Mesoamerica and South America. Major monuments and art objects in a variety of media will be studied in terms of style and original socio-political or sacred context. This class is geared to students at the Junior-Senior level from all academic disciplines with an interest in the artistic heritage of Latin America. Students need not have had any prior experience in art history to succeed in this class, however, regular attendance at lectures and participation in class discussions are fundamental to an understanding of the material presented in this course.

Course Format: In Class and Online
Course material is presented in a lecture format, utilizing visual material in the form of digitized images. Discussion of and an exchange of ideas about the material presented is enthusiastically encouraged. This is a technology-enhanced course: students will utilize the online environment, Blackboard, to access readings and essay assignments, to review works for exams, and to view announcements and other communications from the instructor.

Course Policies

Attendance Policy:
The College of Liberal Arts policy on attendance is very clear:

“The student is expected to attend all classes and laboratory sessions. It is the responsibility of the student to inform each instructor of extended absences. When in the judgment of the instructor, a student has been absent to such a degree as to impair his or her status relative to credit for the course, the instructor may drop the student from the class with a grade of “W” before the course drop deadline and with a grade of “F” after the course drop deadline.”

Because attendance at lectures is crucial to your successful completion of this course, the following stipulations have been adopted:

- Attendance will be taken at each class meeting.
- More than 3 absences will result in the student’s final average being lowered by 5 points.
- More than 6 absences may result in the student being dropped from the class with either a “W” or an “F”
- Information missed during an absence is the sole responsibility of the student. Borrow notes from a classmate if you miss a lecture.

Classroom Etiquette:

- Cell phone use is not allowed in this class. Turn your cell phone off.
- Food and beverages are allowed in this classroom, provided that each student takes responsibility for keeping his or her area clean.
- Chronic tardiness and early departure from class are disruptive and disrespectful behaviors. Please be courteous to others.

Exam Etiquette:

- Be in your seat and ready to begin on time. Latecomers will not have access to the images they have missed.
- No talking or communicating in any manner with another person during the exam. Please make sure your phone is turned off.
- Take home essays are due on exam day, unless specified otherwise.
- Take home essays are to be written in the student’s own words. Original wording and ideas taken from sources other than lectures must be cited. Using someone’s idea or original wording and passing it off as your own is plagiarism. Plagiarism is not tolerated in this course. Students who plagiarize any portion of an essay will be referred to the Office of Student Conduct and Conflict Resolution for disciplinary action.
PLAGIARISM/ACADEMIC DISHONESTY STATEMENT

Cheating/Plagiarism: Cheating is unethical and not acceptable. Plagiarism is using information or original wording in a paper without giving credit to the source of that information or wording: it is also not acceptable. Do not submit work under your name that you did not do yourself. You may not submit work for this class that you did for another class. If you are found to be cheating or plagiarizing, you will be subject to disciplinary action, per UTEP catalog policy. Refer to http://www.utep.edu/dos/acadintg.htm for further information.

Policy for Make-up Exams:
Make-up exams are only available by arrangement and approval of the instructor. To qualify for a makeup exam the student must meet one of these criteria:

Student missed exam due to his/her serious illness. The makeup request must include a doctor’s note. A routine doctor or dentist visit will not be considered as a valid excuse for missing an exam.

Student missed exam due to a death in the immediate family. Documentation must be provided.

Absences due to work related and child-care issues will not entitle the student to a makeup exam. Make ups are given during the instructor’s office hours. As per official UTEP policy, make ups are not given for the final exam. No exceptions.

Policy for Extra Credit:
I do not offer extra credit for this course.

Incompletes, Withdrawals, Pass/Fail Policies
Incompletes or I grades will be considered for students completing satisfactory or better work and having serious legitimate situations beyond their control requiring additional time to complete the course requirements. Incompletes are issued at the discretion of the instructor and the approval of the Department chair.

Students hold the full responsibility for withdrawing from this course if that procedure is elected. Withdrawals must be completed on or before the final date to drop a course with a W. Students missing this deadline will be issued a grade for their performance in the course.

ARTH 3353 is a grade-based course and is not available for audit or pass/fail options.
