**Instructor Introduction**

Therese Bauer received her BFA in printmaking and graphic design from Michigan State University and her MFA in drawing and printmaking from Eastern Michigan University. She has been teaching in the art department at UTEP since 1989. Courses taught include Basic Design, Art Appreciation, Printmaking I, and all levels of Drawing.

**Course Description**

DRAW 3318 is an advanced level studio drawing class in which students are encouraged to explore drawing as an independent discipline. Students will study the contemporary field of drawing while continuing to develop a personal sense of imagery. It is expected that students taking this course are committed to exploring the possibilities offered by the drawing discipline and are willing to invest the necessary amount of time, work, and attention to fulfill this commitment. **In order to successfully complete the amount of drawings due for this course students will need to devote a minimum of six hours of work per week outside of class in addition to the required six hours of in class studio work.**

Course grades will be based on two portfolios of drawings along with two tests. Written work may also be assigned to acquaint students with well-known artists and developments in contemporary drawing.

Students are encouraged to keep a sketchbook as a tool for image and concept development. Slide lectures will be presented to provide examples, ideas, and influences. Critiques will be held for comparative evaluation and critical feedback regarding in-progress and finished work. Your work and participation are required at each critique. Individual critiques are available during office hours and by appointment.

**Course Prerequisite Information**

DRAW 2318 or instructor approval.

**Course Goals and Objectives**

Students in DRAW 3318 will be given the opportunity to make advances in the conceptual and formal aspects of their work through the practice of making drawings, by discussing ideas, processes, and imagery in group and individual critique situations, and by receiving critical feedback from their instructor and their peers. Through assigned problems dealing with non-traditional materials and approaches to drawing, a broader understanding of the scope of drawing as a studio discipline can be developed. A greater knowledge of contemporary and historical artists involved in the drawing discipline will be achieved through study of images and research of relevant information. Students can expect to improve their ability to speak and think critically about their own work and the work of others.
Course Outcomes

Upon successful completion of this course, students can expect to
- show exploration, experimentation, and development in both the form and content of their work.
- have gained practice in and an understanding of the various technical, material, and conceptual approaches to image making possible in contemporary drawing.
- have developed some knowledge of contemporary and historical artists and issues relevant to the drawing discipline.
- have improved their critical skills relevant to the discussion and analyzing of artworks.

Course Requirements

Two portfolios will be reviewed and graded during the semester. The number of drawings required for each portfolio will be determined by the instructor and be based on class schedule and assignments planned for the semester. Handouts will be provided throughout the semester with information regarding assigned work and announcing the number of drawings due for each portfolio. Students are responsible for keeping me up to date with drawings they are doing outside of class. Portfolios containing work done exclusively outside of class will not be accepted. The portfolios will be due the week before Spring Break and the last week of classes. Some drawings may have due dates prior to the portfolio due dates. No late assigned work or late portfolios will be accepted.

Doubling students please note that on each portfolio due date you will be submitting two separate portfolios, each containing the required number of drawings due.

Individual drawings will not be graded; instead your portfolios will be graded on the overall quality and the quantity of work completed, as well as on progress made with content and execution.

Your portfolio grade will be based on:
1. Aesthetic and conceptual strength of your work, to include aspects of visual interest, originality, creativity, and awareness of contemporary art issues.
2. Degree of growth, effort, experimentation, and ambition.
3. Thoroughness of execution to include use of materials, craftsmanship, and presentation.
4. Relevance of work to assigned problems.
5. Amount of work completed.
6. Completion of assignments on time.
7. Presentation of ideas, sources, and influences through sketchbook work and research.
8. Work ethic in class to include amount of time devoted to drawing, class conduct, and being prepared with materials and ideas.

Two tests will be given. Information for each exam will be provided in digital format to study from at least one month prior to the exam date. Tests are graded on the following formula:
A+ 100-97%, A 96.9-93%, A- 92.9-90%, B+ 89.9-87%, B 86.9-83%, B- 82.9-80%, C+ 79.9-77%, C 76.9-73%, C- 72.9-70%, D+ 69.9-67%, D 66.9-63%, D- 62.9-60%, F 59% and below.

The first portfolio is worth 35% of your final grade, the second portfolio is worth 45% of your final grade, and each image test is worth 10% of the final grade.

Adjustments to the final grade will be made if necessary to reflect the student’s attendance record. Plagiarism and / or cheating will result in a failing grade for this course and disciplinary action.
Course Policies

It is the responsibility of the student to fulfill all the class requirements to the best of her/his abilities. If a student is unclear about anything in the syllabus, s/he should seek clarification from the instructor.

Make-up tests will only be given if the student has an acceptable reason for rescheduling. Not being prepared is not an acceptable reason. The make-up exam will be given no more than two class sessions after the original date of the exam provided the student has notified the instructor in advance, and the student has a valid excuse for missing the regularly scheduled exam. Make-up exams are always more difficult than the regularly scheduled exam.

Attendance:
You are being graded not just on the work submitted in your portfolio, but also on your work ethic in class. Therefore your regular attendance is required and you must be prepared with ideas and materials for each class. It is impossible to make up information presented in slide lectures, critiques, demonstrations, etc., so it is important that you attend every class, arrive on time, and stay to the end of class. Roll will be taken every day at the beginning of class.

Class time is not to be used for doing “research” either in the classroom or in another studio/location.

Art Department Attendance Policy:
- After three absences, your final course grade will be lowered one letter grade per additional absence. Ex: A final grade of "A" becomes a "B" with 4 absences, a "C" with 5 absences, a "D" with 6 absences.
Absences may be excused with proper notification for documented serious illness, child care emergencies, death in the immediate family, or university sanctioned events. Scheduled appointments, transportation problems, and job demands are not excused absences.
- Arriving to class late or leaving early counts as 1/2 an absence. Arriving any time past the designated start time of class is counted as late; leaving any time before the designated ending class of time is counted as leaving early.
- Coming to class without the necessary materials to work with will count as one absence. Each student needs to have his/her own set of materials; borrowing from other students is not acceptable.
- Students with excessive absences and/or problems with arriving to class on time should consider dropping this course and retaking it at a time when the student can commit the proper attention to the course. Students whose attendance and work are considered below average may be withdrawn from the class by the instructor.
- No extra credit is available to offset attendance problems.

Additional Course Policies:
- No visitors are allowed during class time.
- Students are allowed one 15-minute break per class session.
- Class time is not meal-time - don’t use class time to eat your lunch (or breakfast or dinner).
- Please no cell phone use during class; also no playing/watching videos, movies, etc.
- You may listen to music with headphones as long as volume is kept down so music isn’t audible to the rest of the class.
- Help keep the drawing studio clean by cleaning up after yourself at the end of each class session.

Incompletes, Withdrawals, Pass/Fail:
Incompletes or "I" grades will be considered for students completing satisfactory or better work and having serious legitimate situations beyond their control requiring additional time to complete the course requirements. All "I" grades are at the discretion of the instructor and the approval of the Department chair.

Students hold the full responsibility for withdrawing from this course if that procedure is elected. Withdrawals must be completed on or before the final date to drop a course with a W. (See calendar at the end of the syllabus.) Students missing this deadline will be issued a grade for their performance in the course. Withdrawals made prior to the census day will not count toward the six-course drop limit.

This is a grade-based course and is not available for audit or pass/fail options.
Materials and Personal Equipment

You are required to have a portfolio or sturdy cardboard tube large enough to hold your work without folding or bending it. In most cases the choice of drawing materials and surfaces will be determined by the student, although drawings done on basic drawing pad sheets or on newsprint will not be accepted for finished work. It is strongly suggested that each student have a variety of both black and white and color drawing materials along with an assortment of papers with which to experiment. Some assigned drawings may require specific materials.

Appropriate materials must be brought to each class session.

The Art Department does not supply individual consumable materials. Supplies may be purchased at Art Center, UTEP's bookstore, Michaels, Hobby Lobby, and at on-line sources such as Dick Blick, Utrecht Art Supplies, Hiromi Paper, and New York Central Art Supply.

Do not submit work under your name that you did not do yourself. You may not submit work for this class that you did for another class. If you are found to be cheating or plagiarizing, you will be subject to disciplinary action, per UTEP catalog policy.
