Instructor Introduction
Professor Perry has a long-standing passion for the visual arts. She studied art history at the University of New Mexico, where she received her M. A. in Pre-Columbian art. She has taught a variety of art history courses at the University of Nebraska-Lincoln and here at UTEP. She and her family have lived in El Paso for many years.

Course Description
This course is an introduction to the rich and varied history of art and architecture of ancient Mesoamerica and South America. Major monuments and art objects in a variety of media will be studied in terms of style and original socio-political or sacred context. This class is geared to students at the Junior-Senior level from all academic disciplines with an interest in the artistic heritage of Latin America. Students need not have had any prior experience in art to succeed in this class; however, consistent attendance at lectures and participation in class discussions are fundamental to an understanding of the material presented in this course. Those who are unable to commit to PUNCTUAL attendance at every lecture should consider taking this course at another time.

Course Format
Course material is presented in a lecture format, utilizing digitized images of artworks. Images of specific works the student must be able to identify and discuss for each exam are also available on Blackboard; they are located in the Content folder, arranged according to examination period and culture. This is a technology-enhanced course and will require the completion of web-based tasks at home or in computer labs on campus.

Course Prerequisite Information
Students with Junior or Senior status and above may enroll in this course. Graduate students will be required to complete additional work in order to receive graduate credit for this course.

There will be three exams in this course, which will constitute 90% of your overall grade. These exams will not be cumulative, but will only cover material from each unit. Exams will consist of the following: slide identifications, short answer questions, slide comparisons, discussions and an essay. The first exam will cover South American cultures. The second exam covers Pre-Classic and Classic Mexican cultures (including Pre-Classic Olmec and West Mexican, Pre-Classic through Classic period Teotihuacan and Zapotec cultures, as well as the Mesoamerican ballgame and Classic Veracruz style). Tentative dates for the first two exams are indicated in the following calendar. Be advised that these dates can change. The final exam will cover Classic Maya, Epi-Classic and Post-Classic cultures. It will be given in our regular classroom on Monday, May 9 from 10 am to 12:45 pm. **ALL STUDENTS MUST TAKE THE FINAL EXAM ON THE SCHEDULED DAY AND TIME. NO EXCEPTIONS!** Specific images that you are required to know for all of these exams are available in BLACKBOARD. Images may be downloaded or printed at your convenience.

Participation
10% of your grade in this course will be based upon participation, specifically your preparation for lectures and participation in discussions initiated by the instructor, punctual attendance at lectures, and note taking. It is very important that you take thorough notes on material presented in class (including class discussions) and that you read assigned pages in your text and the assigned e-reading prior to lectures. A quiz on the assigned e-reading will also count toward participation.

Course Policies

Attendance Policy:
The College of Liberal Arts policy on attendance is very clear:

“The student is expected to attend all classes and laboratory sessions. It is the responsibility of the student to inform each instructor of extended absences. When in the judgment of the instructor, a student has been absent to such a degree as to impair his or her status relative to credit for the course, the instructor may drop the student from the class with a grade of “W” before the course drop deadline and with a grade of “F” after the course drop deadline.”

Because attendance at lectures is crucial to your successful completion of this course, the following stipulations have been adopted:

- Attendance will be taken at each class meeting. The number of absences will be reflected in the student’s participation grade.
- Chronic tardiness is a disruptive and disrespectful behavior that undermines everyone’s ability to focus. Students who are frequently late will receive a very low participation grade.
- Information missed during an absence is the sole responsibility of the student. Borrow notes from a classmate if you miss a lecture.

Exam Etiquette:

- Be in your seat and ready to begin on time. Latecomers will not be shown the images they have missed.
- No talking or communicating in any manner with another person during the exam. Please make sure your phone is turned off.
- Take home essay is to be written in the student’s own words. Original words and ideas taken from sources other than lectures must be cited. Using someone’s idea or original wording and passing it off as your own is plagiarism. Plagiarism is not tolerated in this course. **Students who plagiarize any portion of their essay will be referred to the Office of Student Conduct and Conflict Resolution for disciplinary action.**

PLAGIARISM/ACADEMIC DISHONESTY STATEMENT

Cheating/Plagiarism: Cheating is unethical and not acceptable. Plagiarism is using information or original wording in a paper without giving credit to the source of that information or wording; it is also not acceptable. Do not submit work under your name that you did not do yourself. You may not submit work for this class that you did for another class. If you are found to be cheating or plagiarizing, you will be subject to disciplinary action, per UTEP catalog policy. Refer to [http://www.utep.edu/dos/acadintg.htm](http://www.utep.edu/dos/acadintg.htm) for further information.
Policy for Make-up Exams:
Makeup exams are available by arrangement and approval of the instructor. To qualify for a makeup exam the student must meet one of these criteria:

Student missed exam due to his/her serious illness. The makeup request must include a doctor’s note. Routine doctor and dentist visits will not be considered as valid excuses for missing an exam.

Student missed exam due to a death in the immediate family. Documentation must be provided.

Absences due to work related and child-care issues will not entitle the student to a makeup exam. Makeups are given during the instructor’s office hours. As per official UTEP policy, makeups are not given for the final exam. No exceptions.

Policy for Extra Credit:
I do not offer extra credit for this course.

Incompletes, Withdrawals, Pass/Fail Policies
Incompletes or I grades will be considered for students completing satisfactory or better work and having serious legitimate situations beyond their control requiring additional time to complete the course requirements. All I grades are at the discretion of the instructor and the approval of the Department chair. Students hold the full responsibility for withdrawing from this course if that procedure is elected. Withdrawals must be completed on or before the final date to drop a course with a W. Students missing this deadline will be issued a grade for their performance in the course. ARTH 3353 is a grade-based course and is not available for audit or pass/fail options.
