Gates Millennium Scholars Program
Deadline: January

Funded by a grant from the Bill & Melinda Gates Foundation, the Gates Millennium Scholars program was established in 1999 to provide outstanding African American, American Indian/Alaska Native, Asian Pacific Islander American, and Hispanic American students with an opportunity to complete an undergraduate college education in all discipline areas and a graduate education for those students pursuing studies in mathematics, science, engineering, education, public health or library science. The goal of GMS is to promote academic excellence and to provide an opportunity for thousands of outstanding students with significant financial need to reach their fullest potential.

Requirements:
- GPA: of 3.3 on a 4.0 scale
- Major: Computer Science, Computer Engineering, or a related technical discipline such as Electrical Engineering, Math, or Physics
- Students are nominated by teachers, principals or other educational professionals
- U.S. citizen, national or legal permanent resident of the United States
- Meet the Federal Pell Grant eligibility criteria
- Have demonstrated leadership abilities through participation in community service, extracurricular, or other activities
- Have completed and submitted all three required forms: the student’s application (Nominee Personal Information Form), an evaluation of the student’s academic record (Nominator Form) and an evaluation of the student’s community service and leadership activities (Recommender Form) by the deadline

Amount: Varies

How to apply: For details refer to http://www.gmsp.org/publicweb/AboutUs.aspx
Barry M. Goldwater Scholarship and Excellence in Education Program
Deadline: February 1

The purpose of the foundation is to provide a continuing source of highly qualified scientists, mathematicians, and engineers by awarding scholarships to college students who intend to pursue careers in these fields.

Requirements:
- Full-time undergraduate sophomore or junior
- GPA: B+ on a 4.0 scale
- Major: Environmental Science, Mathematics and Engineering
- Be in the upper fourth of his/her class

Amount: up to $7,500

How to apply: Institution must nominate college sophomores or juniors. Applicants may not apply directly to the foundation. Apply online at http://www.act.org/goldwater/

AACE International Competitive Scholarships
Deadline: February

AACE International is dedicated to advancing the study of cost engineering and cost management through the integrative process of Total Cost Management as outlined in AACE’s TCM Framework document.

AACE awards academic scholarships to: Full-time students pursuing a related degree in engineering, construction management, building construction, computer science, business, quantity surveying, information technology, etc.

Requirements:
- Full-time undergraduate senior/graduate
- Must be accepted to attend a full-time graduate program next year

Amount: Up to $8,000

How to apply: Apply online at http://www.aacei.org/awards/scholarships/
Ferrous Metallurgy Education Today (FeMET)
Deadline: March

The American Iron and Steel Institute (AISI) has teamed up with the Association for Iron and Steel Technology Foundation (AIST Foundation) to create the Ferrous Metallurgy Education Today (FeMET) Initiative. Its three goals are to compel more students to choose metallurgy or materials science as their field of study, to recruit more of such graduates into the steel industry, and to increase the number of professors knowledgeable in steel in North American universities.

Requirements:
- Full-time undergraduate junior majoring in Metallurgy or Materials Science
- GPA: 3.0 on a 4.0 scale
- Must demonstrate interest in the iron and steel industry
- Applicant must commit to a paid summer internship at a North American steel company to be eligible for this scholarship

Amount: $5,000 (scholarship may be renewable)

How to apply: Apply online at [http://www.aistfoundation.org/scholarships/femet/femet.htm](http://www.aistfoundation.org/scholarships/femet/femet.htm)

Migrant Farmworker Baccalaureate Scholarship
Deadline: Summer

The purpose of this scholarship is to provide financial support to a deserving student with a history of migrating for employment in agriculture who has successfully completed one year of college.

Requirements:
- Recent history of movement for agricultural employment
- Scholastic achievement
- Financial need
- Successful completion of at least one year at an accredited post-secondary institution

Amount: $2,000

How to apply: Apply online at [http://www.migrant.net/migrant/sch-mfb.htm](http://www.migrant.net/migrant/sch-mfb.htm)
National Science Foundation
Deadline: Summer, Fall

This program makes grants to institutions of higher education to support scholarships for academically talented, financially needy students, enabling them to enter the workforce following completion of an associate, baccalaureate, or graduate-level degree in science and engineering disciplines.

Requirements:
- Major: Science and Engineering

Amount: Varies

How to apply: Apply online at http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=5257

¡Adelante! U.S. Education Leadership Fund
Deadline: Fall

The ¡Adelante! U.S. Education Leadership Fund is a national non-profit organization based in San Antonio, Texas. Since its inception, ¡Adelante! has been inspiring the best and brightest Latino college students to graduate and lead through scholarships, internships, and leadership development.

Apply Online: Apply online at http://www.adelantefund.org/adelante/Default_EN.asp
NASA Aeronautics Scholarship Program
Deadline: Fall

NASA’s Aeronautics Research Mission Directorate (ARMD) is undertaking a new scholarship program focused on aeronautical research and related degree programs at both the undergraduate and graduate levels. ARMD, as part of its commitment to mastering the core competencies of aeronautics in all flight regimes, is restructuring its education program, including focusing investments in undergraduate and graduate education.

Requirements:
- Undergraduate freshman or sophomore/graduate
- Major: Mechanical Engineering, Electrical Engineering, Computer Science, and Mathematics
- U.S. citizen or permanent resident

Amount:
Undergraduate
$15,000 awarded for each school year, to be used for tuition and other education related expenses
$10,000 summer internship at a NASA Research Center

How to apply: Apply online at http://nasa.asee.org/about_the_program

Buick Achievers Scholarship Program
Deadline: Varies

The Buick Achievers Scholarship Program wants to reward those who have succeeded both inside and outside of the classroom and who may not be able to attend college without financial assistance. The majority of the scholarships will be awarded to students majoring in STEM fields, with a heavy emphasis on engineering majors. (Marketing, Accounting, Finance and Business majors are also eligible).

Requirements:
- Full-time undergraduate: High school graduates who are first-time college students
- Major: STEM (Science, Technology, Engineering, or Math)
- Demonstrate interest in pursuing a career in the automotive or related industries
- U.S. citizens that have permanent residence in the United States

Amount: Buick Achievers National Scholarship: up to $25,000 per year
Buick Achievers Scholarships: $2,000

How to apply: Apply online at http://www.buickachievers.com/home/
Future Engineers Scholarship
Deadline: Varies

Kelly Engineering Resources has grown to be recognized as a leading provider of engineering talent resources to customers in such industries as automotive, chemical, defense, electronics, energy, medical device and pharmaceutical. Kelly Engineering Resources believes that having the right technical skills is only half the battle of mastering your engineering career. To be successful, you also need strong interpersonal skills that will help you manage your career. Offering the Future Engineers Scholarship helps achieve this goal.

Requirements:
• Full-time undergraduate sophomore or junior
• GPA: 3.0 on a 4.0 scale
• Demonstrates potential for and commitment to a career in engineering, as well as outstanding academic performance
• U.S. citizen, resident alien or U.S. national

Award: $5,000

(The winner will be announced and a news release will be distributed to national media, local media in the winner’s hometown, and the winner’s university paper)

How to apply: Apply online at http://www.kellyengineering.us/web/us/ker/en/pages/scholarships.htm

Google Hispanic College Fund Scholarship Program
Deadline: Varies

The Google Scholarship Program offers funds to students studying computer science or computer engineering who are juniors or seniors in college, or pursuing a Master's or PhD. Selected scholars will be invited to an all-expenses paid trip to the Google Headquarters in California.

Requirements:
• Undergraduate junior or senior/graduate/PhD
• GPA: 3.0 on a 4.0 scale
• Major: Computer Science or Computer Engineering
• U.S. citizen or permanent resident

Amount: $10,000

How to apply: Applicant must register first online before beginning the application process. For additional information refer to http://scholarships.hispanicfund.org/applications/subsectionID.1,pageID.123/default.asp
**John J. Mcketta Scholarship**  
**Deadline: Varies**

The purpose of John J. Mcketta Scholarship is to support chemical engineering undergraduate students (incoming juniors or seniors only), planning a career in the chemical engineering process industries (CPI).

Requirements:
- Full-time undergraduate junior or senior
- GPA: 3.0 on a 4.0 scale
- Only students attending ABET accredited schools in the U.S., Canada, and Mexico are eligible
- The nominee must be a national student member of AIChE
- It is preferred/strongly encouraged that the nominee shows leadership or activity in either the school’s AIChE Student Chapter or other university sponsored campus activities

Amount: $5,000

How to apply: Apply online at [http://www.aiche.org/Students/Awards/JohnMckettaProjectConnect.aspx](http://www.aiche.org/Students/Awards/JohnMckettaProjectConnect.aspx)

**Microsoft Scholarships**  
**Deadline: Varies**

Microsoft encourages student population currently underrepresented in the field of computer science to pursue technical degrees. Microsoft scholarships award a large majority of scholarships to women, minorities, and the disabled. Minority applicants must belong to one of the following groups underrepresented in the software field: African-American, Hispanic, or Native American.

Requirements:
- Undergraduate
- GPA: 3.0 on a 4.0 scale
- Major: Computer Science, Computer Engineering, or a related technical discipline such as Electrical Engineering, Math, or Physics

Amount: Varies

All/ Multiple Majors

Jack Kent Cooke Foundation’s Undergraduate Transfer Scholarship
Deadline: mid-January

The Jack Kent Cooke Foundation’s Undergraduate Transfer Scholarship supports outstanding community college students with financial need by helping them transfer and complete their bachelor’s degree at a four-year college or university.

Requirements:
- Must be nominated by the Jack Cooke Foundation Representative at their two year institution
- Enrolled at an accredited U.S. community college or two-year institution with a sophomore status
- GPA: 3.50 on a 4.0 scale
- Plan to enroll full-time in a baccalaureate program at a four year accredited college or university
- Have significant unmet financial need
- Have not been previously nominated for the Jack Kent Cooke Foundation Undergraduate Transfer Scholarship

Amount: Awards can be as much as $30,000 annually

How to apply: Students cannot apply directly. The nominee and the faculty representative should coordinate their efforts to ensure that the complete online application is submitted by the deadline. http://www.jkcf.org/scholarships/undergraduate-transfer-scholarships/

NSEP/David L. Boren Undergraduate Scholarship
Deadline: early-February

Boren Scholarships can provide financial assistance of up to $20,000 to U.S. undergraduate students to study abroad in areas of the world that are critical for U.S. interests and national security, and that are underrepresented in study abroad. In exchange for the scholarship, all applicants must agree to the NSEP Service Requirement and commit to seeking work in the federal government.

Requirements:
- Undergraduate student
- Must be interested in studying less commonly taught languages

Amount:
- $8,000 for a summer program
- $10,000 for a semester
- $20,000 for a full academic year

How to apply: Apply online at http://www.borenawards.org/boren_scholarship
American Association of University Women and International Women
Deadline: February

American Association of University Women and International Women (AAUW) is one of the world's largest sources of funding for graduate women. Fellowship and grant recipients perform research in a wide range of disciplines and work to improve their schools and communities.

Requirements:
  - For additional information refer to website

Amount: Varies

How to apply: Apply online at http://www.aauw.org/learn/fellowships_grants/index.cfm

Truman Scholar
Deadline: February

The Truman Scholarship provides up to $30,000 in funding to students pursuing graduate degrees in public service fields. Students must be college juniors at the time of selection. The foundation also provides assistance with career counseling, internship placement, graduate school admissions, and professional development.

Requirements:
  - Undergraduate junior
  - Must be nominated by institution
  - U.S. citizen or U.S. national
  - Must write a policy recommendation

Amount: $30,000

How to apply: For details refer to http://truman.gov/home
**Davis-Putter Scholarship Fund**  
**Deadline: April 1**

The Davis-Putter Scholarship Fund provides grants to students actively working for justice and peace. These need-based scholarships are awarded to students who are able to do academic work at the university level and also take part in progressive movements on campus and in the community.

- Undergraduate/graduate

Amount: up to $6,000

How to apply: Apply online at [http://www.davisputer.org/index.html](http://www.davisputer.org/index.html)

---

**The Pearson Prize for Higher Education**  
**Deadline: April 11**

The Pearson Prize is designed to reward those students who have made a significant impact on their local campus and/or in their local community through work on specific projects and programs. The Pearson Prize will tell the story of these students, their work and their commitment, so that students at all levels can be inspired by their example. The Pearson Prize for Higher Education is for students who have completed at least one year in a two- or four-year college and have demonstrated leadership in community service.

Requirements:
- Undergraduate
- GPA: 3.0 on a 4.0 scale
- U.S. citizens or permanent resident
- Family members or employees of Pearson Foundation or NSCS may not apply

Amount: up to $10,000.

How to apply: Apply online at [http://www.nscs.org/pearsonprize](http://www.nscs.org/pearsonprize)
Alpha Kappa Alpha Financial Need Scholarship  
Deadline: April 15  

Alpha Kappa Alpha provides post-freshman student access to financial support based either on academic merit or financial need. Students do not need to be members of Alpha Kappa Alpha.

Requirements:
- Full-time student, sophomore or beyond
- GPA: 2.5+ on a 4.0 scale
- Demonstrate community service and involvement

Amount: Varies

How to apply: Apply online at [http://www.akaeaf.org/undergraduate_scholarships.htm#need](http://www.akaeaf.org/undergraduate_scholarships.htm#need)

---

Gilman International Scholarship Programs  
Deadline: April 15  

The Gilman Scholarship Program is open to U.S. citizen undergraduate students who are planning to study abroad. The program aims to diversify the kinds of students who study abroad and the countries and regions where they go by supporting undergraduates who might otherwise not participate due to financial constraints.

Requirements:
- Undergraduate
- U.S. citizen
- The applicant must be receiving a Federal Pell Grant or provide proof that he/she will be receiving a Pell Grant at the time of application or during the term of his/her study abroad
- The applicant must study abroad for at least four weeks in one country

Amount: up to $5,000

How to apply: Apply online at [http://www.iie.org/en/Programs/Gilman-Scholarship-Program](http://www.iie.org/en/Programs/Gilman-Scholarship-Program)
Hispanic Association of Colleges and Universities Scholarships (HACU)
Deadline: May

Thousands of young Hispanics benefit from HACU with internships, scholarships, college retention and advancement programs, precollegiate support, and career development opportunities and programs. The scholarship programs are made possible due to generous contributions from corporate and federal organizations.

HACU uses one scholarship application for the different programs it administers. Program criteria will vary based on the requirements of the funding organization, e.g., specific major, level of study, college/university, region of the country, etc.

Requirements:
- Demonstrate financial need
- Eligible for Federal Financial Aid
- U.S. citizen or permanent resident
- Meet criteria for specific scholarships to which the student is applying

Amount: Varies

How to apply: Apply online at [http://www.hacu.net/hacu/Scholarships_EN.asp?SnID=755133524](http://www.hacu.net/hacu/Scholarships_EN.asp?SnID=755133524)

Fulbright Grants
Deadline: August 1

The Fulbright Program is the flagship international educational exchange program sponsored by the U.S. government and is designed to increase mutual understanding between the people of the United States and the people of other countries. The Fulbright U.S. Student Program offers fellowships for U.S. graduating college seniors, graduate students, young professionals and artists to study, conduct research, and/or teach English abroad.

Requirements:
- Undergraduate senior/graduate

Amount: Varies

How to apply: Apply online at [http://fulbright.state.gov/](http://fulbright.state.gov/)
CIA Undergraduate Scholarship Program
Deadline: Between August 1 & October 15

The Undergraduate Scholar Program was developed, in part, to assist minority and disabled students, but application is open to all students who meet the requirements. Students will complete work sessions during each summer break, increasing their knowledge and job responsibilities while assisting intelligence professionals.

Accepting an offer means making a career choice. Students will be asked to agree to continue employment with the agency after college graduation for a period equal to 1.5 times the length of the college sponsorship.

Requirements:
- Full-time undergraduate freshman or sophomore
- GPA: 3.0 on a 4.0 scale
- U.S. citizen: Available to work in the Washington, DC area during the periods of employment

Amount: Benefits package includes health insurance, life insurance, and retirement, and up to $18,000 per calendar year for tuition, mandatory fees, books and supplies.

How to apply: Apply online at https://www.cia.gov/careers/student-opportunities/undergraduate-scholarship-program.html

Marshall Scholarship
Deadline: early-October

Marshall Scholarships finance young Americans of high ability to study for a graduate degree in the United Kingdom in any field of study and at any UK institution.

Requirements:
- U.S. citizen
- Must hold an undergraduate degree from an accredited four-year college or university in the United States at the time they take up their scholarship
- GPA: 3.7 on a 4.0 scale

Amount: Varies on the circumstance of each scholar but the figure tends to be £23,000 approximately $37,099.

How to apply: Applications are made in one of eight regions in the United States. Candidates may only apply in one region. Apply online at http://www.marshallscholarship.org/
Amy Lowell Poetry Travelling Scholarship  
**Deadline: October 15**

The American poet Amy Lowell died in 1925. Her will established an annual scholarship to support travel abroad for gifted American born poets. There is no age requirement, and there is no requirement that applicants be enrolled in a university or other education program. While many recent winners have been published poets, there is no requirement that applicants must have previously published their work.

Requirements:
- U.S. citizen
- Must spend one year outside the continent of North America
- Recipients should not accept another scholarship during the scholarship year
- Should have three poems by the end of the scholarship year

Amount: $47,000

How to apply: Apply online at [http://www.amylowell.org/index.html](http://www.amylowell.org/index.html)

Hispanic Scholarship Fund (HSF)  
**Deadline: Varies**

As the nation’s leading Hispanic higher education fund, HSF works to address the financial and cultural barriers that keep many Latinos from earning a college degree. HSF envisions a future where every Latino household will have at least one college graduate, creating an enduring impact on the college outlook of Latino families nationwide, and strengthening the American economy for generations to come.

Requirements:
- Full-time undergraduate/graduate
- GPA: 3.0 on a 4.0 scale
- U.S. citizen or legal permanent resident with a valid permanent resident card or passport stamped I-551
- Must apply for federal financial aid using the Free Applications for Federal Student Aid (FAFSA)

Amount: Varies

How to apply: Apply online at [http://www.hsf.net/](http://www.hsf.net/)
Phi Kappa Phi Study Abroad Grants

Deadline: Varies

Phi Kappa Phi Study Abroad Grants are designed to help support undergraduates as they seek knowledge and experience in their academic fields by studying abroad. Forty-five $1,000 grants are awarded each year.

Requirements:

- Attend an institution with an active Phi Kappa Phi chapter
- Have a minimum of 30 semester hours (or equivalent) and no more than 90 semester hours (or equivalent, excluding all AP, Credit by Exam, etc.)
- GPA: 3.5 on a 4.0 scale (3.49 does not qualify)
- Have at least two semesters (or equivalent) remaining in residence at his or her home institution after completing the study abroad experience
- Must have been accepted into a study abroad program (provide the letter of acceptance on official letterhead as part of your application)
- Your study abroad plan should relate directly to your academic preparation, potential career choice, and commitment to the welfare of others

Amount: $1,000

How to apply: Applications are available online at http://www.phikappaphi.org/Web/Awards/Study_Abroad.html

The Charles B. Rangel International Affairs Program

The Rangel Program is a collaborative effort between Howard University and the U.S. State Department that seeks to attract and prepare outstanding young people for careers as diplomats in the Foreign Service of the U.S. Department of State.

There are two major components to the Rangel Program: an International Affairs Graduate Fellowship Program and an undergraduate International Affairs Summer Enrichment Program.

Summer Enrichment Program

Deadline: February

The Charles B. Rangel International Affairs Summer Enrichment Program is a six-week summer program designed to provide undergraduate students with a deeper appreciation of current issues and trends in international affairs, a greater understanding of career opportunities in international affairs, and the enhanced knowledge and skills to pursue such careers. The Program usually selects 15-20 participants (known as “Rangel Scholars”).
The Thomas R. Pickering Foreign Affairs Fellowship

**Deadline: February**

The Thomas R. Pickering Undergraduate Foreign Affairs Fellowship program provides funding to participants as they are prepared academically and professionally to enter the United States Department of State Foreign Service.

**Requirements**

- United States citizen
- Applicants must be in the junior year of undergraduate study.
- Minimum GPA of 3.2 or higher

**Amount:**

$40,000 for one year

**How to Apply:** Apply online at
