LYDIA

Brief explanation of event:
 (Please limit to 100 words or less)

Provide photo if available.

Set in the 1970s on the Texas border separating the United States and Mexico, *Lydia* is an intense, lyrical, and magical new play. The Flores family welcomes Lydia, an undocumented maid, into their El Paso home to care for their daughter Ceci, who was tragically disabled in a car accident on the eve of her quinceanera, her fifteenth birthday. Lydia's immediate and seemingly miraculous bond with the girl sets the entire family on a mysterious and shocking journey of discovery. Lydia is an unflinching and deeply emotional portrait of a Mexican immigrant family caught in a web of dark secrets. Contains strong language and nudity.
