The University of Texas at El Paso

Fall 2008

schedule of classes

Fall Classes:
August 25 - December 4

Registration:
April 1 - August 20

www.utep.edu
Schedule of Classes Format
The Schedule of Classes is divided into two major portions. The first portion includes general information about the University, including registration information, academic calendar, fees and advising requirements. The second portion lists the course offerings for the term and alternate parts of term (see p. 5 for additional information) by subject.

Course Listing Information Defined
Approval Code
Some courses have an approval code associated with them in order to ensure proper permission is obtained prior to registration. Codes include the following:

- BC = Business Cluster Section
- BI = Spanish/English Taught
- DP = Department Approval
- EC = Engineering Cluster Section
- HN = Honors Section
- LC = Liberal Arts Cluster Section
- PC = Pre-Pharmacy Cluster Section
- PL = Placement Exam Required

Course Comments
Course comments refer to the section that is listed immediately above the text. Departments utilize this area to list additional details associated with the section.

Course Fees
Sections that are assessed additional course related fees will note amounts in this location. Note that all Distance Learning Courses have additional fees calculated per credit hour.

Course Subject & Number
A two to four letter subject abbreviation is followed by a four digit number representing the course. Subject abbreviations are listed with the names of fields of study on the following page. The number denotes the level of the course, under 5000 is an undergraduate course and greater than to equal to 5000 is a graduate/doctoral level course.

Course Title
The Course Title appears to the right of the course number and refers to all the

CRN
The CRN, Course Reference Number, is the unique five digit number used to identify a particular section of a course. This number is required for registration transactions. On the Goldmine Web version of the schedule, clicking on this number reveals additional details for the section.

Instructor Name
If known at the time of publication, the instructor name will appear to the right of the location. When STAFF appears, an instructor will be assigned at a later date.

Location
Location is listed by a four letter building code followed by a three digit room number. Refer to the building code legend and map located on the back cover of the Schedule of Classes to determine location. If location is listed as TBA, the location will be assigned at a later date.

Meeting Days & Times
This details the days and times that a section will meet. If meeting times are unknown at the time of publication or the instruction will be arranged, information will appear as TBA. Abbreviations include the following:

- M = Monday
- T = Tuesday
- W = Wednesday
- R = Thursday
- F = Friday
- S = Saturday
- U = Sunday

Schedule Type
Courses are categorized into different types based on the following codes:

- DIS = Dissertation
- DSC = Discussion/Review
- IND = Independent Study
- INP = Intensive Practicum
- LAB = Laboratory
- LCL = Lecture Lab
- LSC = Lecture Seminar
- LEC = Lecture
- PLES = Private Lesson
- PRAC = Practicum
- SEM = Seminar
- SPI = Specialized Instruction
- STC = Student Teaching

Alternate Parts of Term Important Dates and Deadlines

Part of Term Information

Alternate Parts of Terms are created for courses that do not meet according to the traditional long term dates. Important dates and deadlines vary based on the length of the alternate part of term. The table below details dates associated with each term based on those created by publication date.

Part of Term Payment Deadline Notice

Please note that the tuition and fee deadline is the published Census day for any alternate part of term that begins prior to August 25th. Contact Student Business Services (915/747-5116) for information regarding refund schedules associated with the alternate part of terms listed below.

Important Payment Information

When do I pay for my classes?

Fall 2008 Payment Deadline

Fall 2008 Tuition and Fees Payment Deadline for Fall Registration (03/31-08/14) is August 18, 2008.

Non-payment of tuition and fees will result in the loss of your FALL 2008 class schedule on August 20, 2008.

Note that if you are registered for any part of term that begins prior to August 25th, tuition and fees are due on the 1st day of class for the part of term. See p. 5 (Alternate Part of Term Important Dates) to determine deadline.

Payment Options

1. Pay All - Pay in full
2. Pay 20% - Pay 20% of total tuition and fees assessed and defer the balance through the EasyPay Installment Tuition Plan option
3. Pay Nothing Now - Apply for Emergency Tuition Loan and Installment Tuition Plan option

For payment options #2 and #3, go to https://my.utep.edu.

Email Notification System

Student Business Services has implemented an email notification system. Invoices, installment and emergency loan payment deadlines will be sent via email to continuing students. Bills will not be mailed. Please note that this notification will only be sent to “miners.utep.edu” email addresses. If you do not have a “miners.utep.edu” email address, obtain one. Without one, you will not receive any notifications during the term. You can obtain your “miners.utep.edu” email address by logging on to the following website: https://newaccount.utep.edu.

When do I get my invoice?

First time students to UTEP will receive a paper invoice to your mailing address. Update your mailing address by no later than July 29, 2008 at the Registration and Records Office. The invoice will include assessed tuition and fees and your class schedule. Also reflected on the invoice will be any credits you may have from financial aid or scholarship awards. If you registered by July 29th and you
do not receive your Invoice by August 6, 2008, contact the Student Business Services Office. **Note you are obligated to meet the payment deadline whether or not you receive the invoice.** Continuing students at UTEP will only receive the Invoice via email to your UTEP email address. The email invoice will include assessed tuition and fees and your class schedule, as well as any credits you may have from financial aid or scholarship awards. If you don’t receive your email invoice, log on to Goldmine via my.utep.edu and select Invoice option; you are obligated to meet the payment deadline whether or not you receive the invoice.

For students who register and who make changes to their initial registration after July 29th, an updated schedule and tuition and fees can be viewed and printed through http://my.utep.edu; click on Goldmine and then select Invoice option.

**Where can I locate the most current information regarding my bill?**
For up-to-date information on tuition and fees and payments, contact the Student Business Services Office in the Academic Services Building, 915/747-5116 or visit https://my.utep.edu; click on Goldmine icon. UTEP accepts MasterCard, Visa, Discover, and American Express Cards.

**Methods of Payment**
The University accepts Cash, Check, MasterCard, Visa, Discover and American Express. Credit card payments must be made via Touchtone Registration (915/545-1145) or online at my.utep.edu (Goldmine link).
Note that all mailed payments must be received by the Student Business Services Office by the close of business, **August 18, 2008**. Checks must include student ID number, state and driver’s license number. **DO NOT MAIL CASH.**

**How much do I owe?**
Assessment of tuition and fees is based on your residency classification and the number of semester credit hours you are taking. Refer to the Tuition and Fees section on p. 9 or the Student Business Services website for details. (http://admin.utep.edu/sbs).

**How do I obtain residency for tuition purposes?**
The Admissions Office (915/747-5890) is responsible for determining the official residency for all students. See p. 43 for additional information. To ensure that your invoice is correct, you must resolve all residency issues BEFORE you begin the registration process.

**How can I pay for my classes?**
You can pay for your classes by cash, check, or credit card. Please note cash payments must be made in person at Student Services Center. Checks are accepted over the web; in person; or by mail; please write your student ID number, and state and driver’s license number on your paper check. If you are mailing your payment, the payment must be received by the close of business on payment deadline due date. A non refundable fee of $25.00 will be assessed for each returned check. Credit card payments must be made through the phone (through Touchtone Registration, 915/545-1145) or online at www.my.utep.edu; then click on Goldmine icon. UTEP accepts MasterCard, Visa, Discover, and American Express Cards.

**What if I cannot pay my entire invoice amount by the payment deadline?**
20% of tuition and fees must be paid and you can defer the balance through the EasyPay installment tuition loan payment plan. Under the installment tuition plan, you must pay 20% of assessed tuition, mandatory and incidental fees by the published payment due date (if you do not have the funds to pay the required 20% of assessed tuition and fees, please refer to the next question explaining tuition loans). You then pay the remaining tuition and fees balance in four equal installments – due on 15th of each month (if the 15th fall on the weekend, it will be due the next business day). Contact Student Business Services at 915/747-5116 if you have any questions.

**How can I apply for a tuition loan?**
Tuition loans are available as long as there is funding. This loan only covers 20% of the assessed tuition and fees; mandatory and course related fees and will automatically set up the installment tuition plan for the rest of the tuition. To be eligible to apply for a tuition loan, your account has to be current. You must pay all prior debts to UTEP before requesting this short term loan. To apply, go to https://my.utep.edu. If you do not have access to a computer or are having problems finalizing the loan, visit the Financial Aid office on the 2nd floor of the Academic Services Building Between 8:00-5:30 p.m. Loans will be available starting August 8, 2008

**What if I have an outstanding balance at the end of the term?**
If you have an account with an outstanding balance at the end of the term, it will be forwarded to a collection agency by February 4, 2009, unless arrangements are made with authorized personnel at the Student Business Services. **What do I do with my invoice if someone else (such as employers or government agencies) will be paying?**
You must visit the Student Business Services Office after you receive your invoice and present your purchase order, letter of payment or tuition voucher. The applicable payments to your account will be made by the payment deadline. **If assessed tuition and fees are not paid in full by the respective agency, it is your responsibility to make payment for the amount not paid by third party by the published payment deadline.**

**If I am registering during Late Registration, when do I pay?**
You MUST pay by the late registration payment deadline (refer to the Important Dates section). Please note that an Invoice will not be mailed or emailed for initial registrations made after August 1, 2008.
TUITION, FEES AND PAYMENT INFORMATION

Is there a fee for registering for the first time during Late Registration?
Yes. If you register for the first time during late registration, you will be charged a late registration fee. The fee schedule is as follows:

Late registration prior to classes beginning:
$20.00 for Telephone/WEB Registration
$30.00 for In-person Registration

Late registration on/after classes begin:
$20.00 for Telephone/WEB Registration
$50.00 In-person Registration

Is there a fee for dropping or adding classes during Late Registration?
Yes. You will be charged a fee of $5.00 for each ADD or DROP transaction completed during late registration.

Can I receive a refund for a dropped class?
You are eligible to receive a refund of applicable tuition and fees for dropped courses provided the course(s) are dropped prior to the part of term’s census date and that you remain enrolled for the part of term specified on the Drop Form. The Drop Form must be submitted to the Registration and Records Office on or before the appropriate date for the term to be an official drop and thus eligible for a refund.

How is my refund processed?
Refunds are processed by the Student Business Services Office based on the original method of payment.
- Credit card payments will be refunded by check unless you call 915/747-5116 to make arrangements to return funds back to the credit card.
- Cash and check payments are refunded by check. (allow 5 working days)
- Payments on your behalf by a sponsor or scholarship are refunded to the original source.
- Title IV aid (Pell Grant, Supplemental Educational Opportunity Grant, Federal Perkins Loan, Federal Stafford loan, or Federal PLUS loan) is refunded back to the original source.

Please note that if you owe a balance to UTEP, the refund will be used to offset the account balance.

Refund Policy
Refund policies are established by and subject to change by the legislature of the State of Texas and are applicable to withdrawals and dropped courses.

Refund Schedule (applicable to complete withdrawals only)
- Percentage of refund is based on total tuition and fees assessed, not on amount paid
- Unless you do a complete withdrawal from school prior to the first official class day, you are responsible for a percentage of total tuition and fees. Please contact the Student Business Services Office if you have any questions.

The refund schedule is not available at time of this printing. To view refund schedule online visit http://admin.utep.edu/sbs, select Important Dates.

Dropped Courses (Class Schedule Must Be Maintained Within Part Of Term)
Provided the student remains enrolled for the part of term, refunds of applicable tuition and fees will be made for courses dropped for the part of term. Dates coincide with the census date for each designated part of term.

The Drop Schedule is not available at time of this printing. To view the drop schedule online visit http://admin.utep.edu/sbs, select Important Dates.

Return of Title IV Funds
In addition to institutional policies and procedures regarding refunds, students receiving Title IV funds will be subject to a separate calculation to determine the return of any Title IV funds. The federal formula provides a return of Title IV aid if the student received federal financial assistance in the form of a Pell Grant; Supplemental Educational Opportunity Grant; Federal Perkins Loan; Federal Stafford or PLUS loan and withdrew on or before completing 60 percent of the semester. The percentage of the refund is equal to the number of calendar days remaining in the semester.

If any refund remains after the required return of Title IV aid, the refund will be used to repay UTEP funds, state funds, other private sources and the student in proportion to the amount paid by each non-federal source, as long as there was no unpaid balance; then all aid sources will be repaid before any refund is paid to the student.

Worksheets used to determine the amount of refund or repayment are available upon request. Example: Paydirt Pete completely withdraws on the third week of school (17th calendar day into the semester). The number of calendar days in the semester is 54. He had $500 in Federal Pell and was charged $438 in tuition and fees. Under the federal Return of Title IV Aid policy, this student would owe $20.98.

### Notice:
The Texas Legislature does not set the specific amount for any particular student fee. The student fees assessed are authorized by state status; however, the specific amounts and the determination to increase fees are made by the University administration and the University of Texas System Board of Regents. Tuition and fees are subject to change due to legislative and/or institution action and become effective when enacted. Note: Although unlikely, changes in tuition and fees charges may occur after the information is first published; updated information may be obtained from the Student Business Services Office.
Additional Fee Details

Tuition and Fee Increases
Tuition and fees provided herein represent the figures at the time of publication, are subject to change by regental or legislative action and become effective on the date enacted. The Texas Legislature does not set the specific amount for any particular student fee. The student fees assessed above are authorized by state statute; however, the specific amounts and the determination to increase fees are made by the University administration and The University of Texas System Board of Regents. Policies governing the payment or refund of tuition, fees, and other charges are approved by the Board of Regents of The University of Texas System and comply with applicable state statutes.

Add/Drop Fee
A fee of $5 is assessed for each ADD and each DROP transaction completed during late registration. See Add/Drop in the REGISTRATION section of this schedule for details.

Distance Learning Fees
Additional fees assessed in excess of tuition rates to support the technology required to deliver course. Undergraduates are assessed $25/semester credit hour and Graduate students are assessed $50/semester credit hour. Note that if you are enrolled in ONLY distance learning courses through the UT Telecampus, the following fees are waived: Activity Fee, Union Fee, Health Center Fee, and Recreation Fee. UTEP Distance Learning Courses delivered through WebCT are not eligible for these fee waivers.

Graduation Fee
A fee of $30 is assessed of candidates for University degrees, payable as part of the degree application process. See the section titled GRADUATION INFORMATION for details on deadlines, diplomas and commencement. Late application fee will remain at $15.00. Refer to the General Information/Graduate Information for further details.

Health and Nursing Insurance Information - Fall 2008

Registration begun during the first or second week of late registration will incur a late registration fee.

Late registration prior to classes beginning:
$20.00 for Telephone/WEB Registration
$30.00 for In-person Registration
Late registration on/after classes begin:
$20.00 for Telephone/WEB Registration
$50.00 for In-person Registration

Returned Check Fee
A fee of $25.00 is assessed to students that issue payment to the University with a check that is returned to the University.

Student ID Replacement Fee
A fee of $20.00 is assessed for the replacement of lost ID cards.

Transcript Fee
A $2.00 fee is assessed to students for an unofficial copy of their transcript. A fee of $5.00 is assessed for an official copy. A fee of $7.00 is assessed for an official copy requiring immediate processing.

Payment Options
1. Pay All - Pay in full
2. Pay 20% - Pay 20% of total tuition and fees assessed and defer the other balance through the EasyPay Installment Tuition Plan option
3. Pay Nothing Now - Apply for Emergency Tuition Loan and EasyPay Installment Tuition Loan Plan option
   For payment options #2 and #3, go to https://my.utep.edu.

Tuition Loans
Tuition loans are available as long as there is funding. To be eligible to apply for a tuition loan, your account has to be current and all outstanding debts to UTEP must be paid prior to requesting this short term loan. Visit https://my.utep.edu to apply. If you do not have access to a computer or are having problems finalizing the loan, you may visit the Financial Aid Office in the Academic Services Building, 2nd Floor, between 8:00 am - 5:30 pm beginning August 8, 2008.

Installment Tuition Plan
The Installment Tuition Plan requires 20% payment of tuition and fees due at the time of registration, with the remaining balance due in four equal installments the 15th of each month.

QUICK REFERENCE
EasyPay Installment Loan Plan formula for payment:
- 20% of tuition and fees assessed
- $17 for utilizing the installment plan
- Student General Property Deposit
- Entire past due amount for previous semesters or fines (if applicable)

Items for which payment CAN be deferred include the following:
- Tuition
- Fees (Library Fee, Student Service Fee, Energy Fee, Student Union Fee, Recreation Fee, Technology Fee, International Studies Fee, Registration Fee).
- Incidental Fees (Course-related, Laboratory, Fine Arts, Transportation Fees).
- New Entering Student Fee & Smart Card Fee
- Assessment amount for Parking decal, and health insurance

Items for which payment CANNOT be deferred include the following:
- Student General Property Deposit
- Deferred Payment Service Charge
- Service Fees (Late Registration and Add/Drop)
- Fines (Traffic and Library)
- Discretionary Fees (liability insurance)
- Amounts due for financial holds from prior periods

Note that all charges that are not deferred are due immediately if the Tuition Loan or Installment Tuition Plan is selected.
Additional Policies for the Installment Tuition Plan
1. All student account balances due from prior semesters, including items associated with deferred payment, must be paid in full before a student may begin registration for a subsequent semester.
2. The University shall assess an Installment Tuition Plan Fee of $17.00 for students choosing the plan: this charge is payable at the time of registration. A late Installment Payment Charge of $15.00 will be assessed if payment due for that period is not paid in full and on time.
3. The Student Business Services Office will send email notifications to your miners.utep.edu email address as appropriate to students paying tuition and fees under the EasyPay installment plan.
4. The courses for which a student is enrolled on the official census date - 12th class day in a long semester - will be the basis for the student’s tuition and fees assessment. Except for students who officially withdraw up to the end of the refund period as indicated in the Schedule of Classes, no reduction in amounts due will be made after this date; further, the student is obligated to pay the assessed amounts whether or not class attendance is subsequently interrupted or terminated.
5. A signed promissory note must accompany the student’s initial payment.
6. Section 54.007 of the Texas Education Code, which authorizes the option of paying tuition and fees by installment, also provides for the following penalties of non-payment:
   a) Bar against readmission at the institution;
   b) Withholding of grades, degree and official transcript;
   c) Delinquent accounts are referred to Collection Agency for follow up; and/or
   d) Dis-enrollment from classes.

DISCLAIMER
This Schedule of Classes is a general information publication only. It is not intended to nor does it contain all regulations that relate to students. The provisions of this Schedule of Classes do not constitute a contract, express or implied, between any applicant, student or faculty member and the University of Texas at El Paso or the University of Texas System. The University of Texas at El Paso reserves the right to add or withdraw courses at any time, to change fees or tuition, calendar, curriculum, degree requirements, graduation procedures, and any other requirements affecting students. Changes will become effective whenever the proper authorities so determine and will apply to both prospective students and those already enrolled.

STATEMENT OF EQUAL EDUCATIONAL OPPORTUNITY
To the extent provided by applicable law, no person shall be excluded from participation in, denied the benefits of, or be subject to discrimination under, any program or activity sponsored or conducted by the University of Texas System or any of its component institutions, on the basis of race, color, national origin, religion, sex, age, veteran status, or disability.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT
FERPA affords students certain rights with respect to their education records. These rights are:

The right to inspect and review the student's education records within 45 days of the day the University receives a request for access. Students should submit to the Vice President for Finance and Administration written requests that identify the record(s) they wish to inspect. The Vice President for Finance and Administration will make arrangements for access and notify the student of the time and place where the records may be inspected.

The right to request the amendment of the student's education records that the student believes is inaccurate or misleading. A student who believes that his or her education records are inaccurate or misleading, or that the records violate his or her privacy rights, may informally discuss amendment of the record with the university office or agency concerned with the particular record. If agreement is reached with respect to the student's request, the appropriate records will be amended. (Note: The substantive judgment of a faculty member about a student's work, expressed in grades and/or evaluations, is not within the purview of this right to seek amendment of education records.) If the record is not amended pursuant to the student's request, the university will inform the student of its decision and of the student's right to request a formal hearing. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

The right to consent to disclosures of the personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is defined as a person employed by the University in an administrative, supervisory, academic, or support staff position (including law enforcement unit and health staff); a person or company with whom the University has contracted (such as an attorney, or collection agent); a person serving on the Board of Trustees; or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll or is enrolled.

The right to request that directory information not be disclosed to the public. “Directory Information” means information in a student’s education record that would not generally be considered harmful or an invasion of privacy if disclosed. The University of Texas System component institutions policies will designate the following minimum information as directory information: student’s name; local and permanent address; email address; telephone number; date and place of birth; field of study; dates of attendance; enrollment status; student classification; degrees, certificates and awards (including scholarships) received; photographs; participation in officially recognized activities and sports; weight and height of members of athletic teams; and the most recent previous educational agency or institution attended. Directory information may appear in public documents and may otherwise be disclosed without student consent unless a student submits a written request to the registrar during the first 12 class days of a fall or spring semester or during the first 4 class days of a summer semester to withhold such information from disclosure. Requests to withhold directory information will be honored by the University for only the current enrollment period; therefore, a request to withhold Directory Information must be filed each semester or term in the Office of the Registrar.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, S.W.
Washington, DC 20202-4605

COLLECTION OF PERSONAL INFORMATION NOTICE
With few exceptions, you are entitled upon request to be informed about the information the University of Texas at El Paso collects about you. Under Section 552.021 and 552.023 of the Texas Government Code, you are entitled to receive and review the information. Under Section 559.004 of the Texas Government Code, you are entitled to have the University of Texas at El Paso correct information about you that is held by University of Texas at El Paso that is incorrect, in accordance with the procedures set forth in the University of Texas System Business Procedures Memorandum 32. The information that the University of Texas at El Paso collects will be retained and maintained as required by Texas records retention laws (Section 441.180 et seq. of the Texas Government Code) and rules. Different types of information are kept for different periods of time.
Congratulations on your decision to continue your educational pursuits at the University of Texas at El Paso. UTEP offers outstanding academic programs, exciting student life activities, innovative research programs, and great opportunities to gain experience and leadership skills.

Admittance

What do I do now that I am admitted to UTEP?

Now that you are admitted follow this check-list:

- Get your official student ID card at the Miner Gold Card Office (ASB 116).
- Register for your UTEP e-mail (see UTEP email box on lower right of this page for instructions).
- Take Required Placement Tests (as required by Admissions and Recruitment, the Graduate School or your academic advisor) Register for tests at http://testing.utep.edu using your student ID number and date of birth, or by calling 915/747-5009. Free test preparation information and workshops are available at the Tutoring and Learning Center.
- Get Advised by calling 915/747-5290 for more information.
- Register for New Student Orientation (required for all First-Time Freshmen and International Students) Register at http://orientation.utep.edu (requires student ID number & date of birth) or by calling 915/747-6752.

Tuition - Resident and Non-Resident

What do I need to know about residency status?

The Admissions Office is responsible for determining the official residency of all students. Residency for tuition purposes at UTEP can be established if an applicant has established a domicile in Texas for the 12 months immediately preceding registration, has been a citizen or permanent resident of the United States for those 12 months, and if the applicant’s reasons for coming to Texas were primarily non educational. For people who have physically resided in Texas for 12 months prior to enrollment a domicile in Texas is presumed if the person owns real property in Texas, owns a business in Texas, or is married to a person who has established a domicile in Texas. Gainful employment other than work-study and other such student employment can also be a basis for establishing a domicile.

Students who have lived in Texas for three consecutive years prior to enrollment at the University and who have graduated from an accredited Texas High School or who have obtained a GED will be classified as Texas residents.

Individuals who have resided, worked, or attended school outside Texas may be required to submit additional documentation to assist in the residency determination.

If these criteria have not been met, the Residency Core Questions (CQ) form available in the Admissions Office (ASB 102) must be completed prior to the beginning of registration to have the tuition status reconsidered. Non resident tuition classification is presumed to be correct until the CQ form has been submitted and approved.

If you do not meet the above requirements for residency, you may still qualify for resident tuition on a semester to semester basis if you fall into one of the following categories. Unless otherwise stated, verification of eligibility for the exemption must be submitted to the Admissions Office PRIOR to the beginning of classes for EACH semester for which the exemption is sought.

1) Recipients of a $1,000 or more competitive University scholarship. Verification must be submitted from the Scholarship Office.
2) Teaching/research assistants and their dependents employed at least half time in a position related to the field of study. The TA/RA verification form must be completed by the academic department and submitted to the Graduate school for graduate students and the Admissions Office for undergraduate students.
3) Active duty NATO and US military personnel and reservists stationed in Texas and their dependents. A verification of duty status form or letter from the military member’s commanding or personnel officer must be submitted. Make sure the student’s name and social security number are included.
4) Faculty employed at least half time by a Texas institution of higher education and their dependents. A letter of verification from the University Human Resources Office must be submitted.
5) Mexican citizens approved for PASE (Programa de Asistencia Estudiantil). Verification of eligibility from the Office of International Programs must be submitted to the Admissions Office prior to registration for each fall semester.
6) Employees and dependents of approved organizations or businesses established in Texas as part of the program of state economic development and diversification. A letter of intent to establish residency in Texas must be filed with the Admissions Office.
7) Residents of the following New Mexico counties bordering on Texas: Dona Ana, Otero, Eddy, Lea, Roosevelt, Curry, Quay, and Union must submit a New Mexico waiver form along with a copy of student’s valid New Mexico diver’s license or state id.
8) Participants in the Academic Common Market.
9) US Foreign Service Officers assigned to posts in Mexico.
10) Aliens who are residents of Texas based on high school graduation receipt of a GED (Texas Education Code 54.052).

To ensure tuition and fees assessment and invoicing are at the appropriate rate, all residency questions must be resolved, and verification of status for tuition exemptions should be received by the Admissions Office BEFORE the student begins the registration process.

You must activate your “miners.utep.edu” e-mail address. Official University information in regards to grades, deadlines and billing notification are sent to your “miners.utep.edu” e-mail address. To obtain your miners.utep.edu e-mail address, visit my.utep.edu, click on Get Account.
HOW TO GET MORE INFORMATION

The Student Financial Aid and Scholarships offices are available to assist students applying for and receiving Federal and State need-based financial assistance as well as merit-based aid. Assistance is provided in keeping with existing laws and regulations governing financial aid programs. Priority is given to students with documented financial need for need-based programs whose applications are received by the March 15th priority date and scholarship applications who meet academic requirements by the March 1st priority date.

The Office of Scholarships administers the University’s academic scholarships and other awards provided by off-campus donors (grants-in-aid). University academic scholarships are awarded to scholastically qualified undergraduates and graduates well in advance of registration. The requirements and policies which govern these awards are contained as part of the respective undergraduate and graduate applications.

Please contact our respective office to get more information.

What do I do if my Financial Aid Award does not appear on my invoice?
Your financial aid and scholarship awards will be automatically applied to your account, and those payments will appear on your invoice as credits. No scholarship can be applied automatically for part-time registration. If an expected award does not appear on your Invoice, it is not being applied to your account. Please check with the office from which you expect the award. Any charges on your Invoice not covered by your aid are your responsibility to pay by the payment deadline.

How do I qualify for a Tuition Rebate?
The Texas Legislature has authorized a $1,000 tuition rebate for students who complete a baccalaureate degree with no more than three credits in excess of those required for their degrees. The purpose of the program is to provide a financial incentive for students to prepare for university studies while completing their high school work, avail themselves of academic counseling, make early career decisions, and complete their baccalaureate studies with as few courses outside the degree plan as possible. Minimizing the number of courses taken by students results in financial savings to students, parents, and the state. For more details about this tuition rebate program and eligibility, contact the Registrar’s Office or visit: http://www.thecb.state.tx.us/rules/13/13F.htm or http://www.capitol.state.tx.us.
Tuition Rebate Program Quick Reference
To be eligible for a $1,000 tuition rebate, you must:
- Complete your degree with no more than 3 semester credit hours beyond the minimum required to graduate (grades of “W” and developmental education course count);
- Enrolled for the first time in Fall 1997 or later;
- Are a Texas resident and paid in-state tuition while pursuing your degree;
- Have not earned a Bachelor’s degree in their educational career.
- For first enrolled in fall 2005, a student must graduate within 4 calendar years.

For more information about the Tuition Rebate Program contact the Registration and Records Office (915) 747-5544 or on the following website: http://www.collegefortexans.com.

How are award disbursements for students registered prior to Late Registration applied?
Financial Aid and Scholarship Awards are automatically applied to your accounts and those payments will appear on your Invoice as credits. Scholarships are not applied automatically for part-time registration. If an expected award does not appear on your Invoice, it is not being applied to your account. Check with the office from which you expect the award. Any charges on your Invoice not covered by your aid are your responsibility to pay by the payment deadline. Students attending the Wintermester part of term, if eligible, will receive their financial aid funds through reimbursement. Please make arrangements to pay tuition and fees by the payment deadline. If you have received notification of financial aid or a scholarship award, we recommend you wait for your Invoice before making a payment.

Financial Aid and Scholarship Award recipients who have registered, but elect not to attend UTEP, must submit a complete withdrawal form to the Registration and Records Office. Failure to do so may result in failing grades for the courses.

Remaining balances for most programs will be distributed to students who registered through regular Touchtone/Web Registration by check or direct deposit. Students should receive their funds by the first week of school. To ensure prompt receipt of checks, current mailing addresses must be on record with the Registration and Records Office. Read on for specific program instructions:

Grants and Stafford Loans
Aid will be applied to payment of tuition and fees. Remaining balances will be mailed to students by check or distributed through direct deposit.

Scholarships
Aid will be first applied to payment of tuition and fees and any other debts to the University. Balances will be mailed to students by check or distributed through direct deposit. Scholarship checks will not be mailed to students who do not have a local address on file in the Records Office. In that case, the student should come to the Scholarship Office the first week of classes to obtain the check. If a student loses eligibility for a scholarship award due to grades, any prior payment applied to fees will be revoked and the student will be responsible for payment of fees immediately. If a waiver of non-resident tuition has been granted by a scholarship award, loss of the scholarship will also cause tuition to revert to non-resident without further notice.

Award Disbursements for Late Registrants
Scholarships, Grants, Stafford and Perkins Loans - Students registering during late registration (Touchtone/Web or In-person) will receive the balance of any remaining funds from scholarships, grants, or student loans after the twelfth day of class. Emergency tuition loans will be offered depending on availability of funds.

Tuition rebates for certain Baccalaureate recipients.
The Texas Legislature has authorized a $1,000 tuition rebate for students who complete baccalaureate degrees with no more than three credits in excess of those required for their degrees. The purpose of the program is to provide a financial incentive for students to prepare for university studies while completing their high school work, avail themselves of academic counseling, make early career decisions, and complete their baccalaureate studies with as few courses outside the degree plan as possible.

Minimizing the number of courses taken by students results in financial savings to students, parents, and the state.

The Texas Education Code, Section 54.0065, authorizes UTEP to provide a tuition rebate to students who meet all of the following conditions:

a. enrolled at UTEP for the first time in the fall semester of 1997 or later;
b. request a rebate for semester credit hours achieved toward their first baccalaureate degree;
c. have been Texas residents, and have been entitled to pay resident tuition at all times while pursuing the baccalaureate degree;
d. have attempted no more than three hours in excess of the minimum number of semester credit hours required to complete the degree in the catalog under which they were graduated; and
e. apply for the rebates prior to receiving their baccalaureate degrees.
f. for first enrolled in fall 2005, a student must graduate within 4 calendar years from their initial enrollment for a four year degree.

Teaching Certificates
If a student chooses to complete the requirements for a teaching certificate, the minimum number of credit hours required for the degree, including transfer credits and exclusively by examination, for purposes of the $1,000 tuition rebate, should be the minimum number of credit hours in which it is possible to satisfy the requirements of both the baccalaureate degree and the teaching certificate.

Outstanding Student Loans
Tuition rebate shall be reduced by the amount of any outstanding student loan, including an emergency loan, owed to or guaranteed by the state, including the Texas Guaranteed Student Loan Corporation.
What is the Academic Advising Center?
The Academic Advising Center (AAC) is dedicated to student success. The AAC provides students with academic advising, guidance, and support during their first two years at UTEP enabling them to make well informed decisions. Professional Advisors and student peer advisors help UTEP students with course selection, program requirements and goal-setting. Please call or visit us at:
AAC Building - 1st Floor
915-747-5290
M-F 8:00 am - 6:00 pm

How do I know if I am required to get advised each semester?
Not every major requires advising. Prior to each semester students should review the Major Advising Information in the Schedule of Classes (pp. 19-23) or log onto www.utep.edu and click on your myutep.edu account. You can then check your “hold screen” for advising holds. Students will also receive an email a month prior to registration with a list of his/her holds.

How do I know what courses to take?
Students may obtain a degree plan at their major department or on the department’s website. Students should also meet with their department advisor or AAC advisor for additional clarification about courses.

How do I change my major?
A student planning to change majors should visit his/her (current) major department and obtain a change of major form. Then the student will take the form to the department of his/her desired new major.

What is TSI?
The Texas Success Initiative (TSI) ensures that students entering a Texas public college or university are prepared for college-level math, writing, and reading-intensive courses. Entering students must take the Texas Higher Education Assessment (THEA), Accuplacer, or other approved alternative prior to enrolling in any college or university. In accordance with Texas law, all non-exempt full-time or part-time freshmen in certificate programs or degree programs that enter public institutions of higher education must complete TSI assessment prior to enrollment at the university.

What does it mean to be TSI required?
To satisfy the Texas Success Initiative requirements at UTEP, entering students are encouraged to take Accuplacer, which also serves as a placement test for Math, English, and reading-intensive courses. Non-exempt students who don’t pass one or more sections of the test will be advised by the Academic Advising Center into an appropriate developmental course according to UTEP’s Developmental Education Accountability Plan.

Congratulations!

You are now a registered student at UTEP for the current semester.
Telephone (Touchtone) Registration Guide

1. Using a touchtone telephone, dial (915) 545-1145. If the line is busy, hang up and try again.

2. Listen to the registration options; you will be given step-by-step directions. Make sure to listen to the entire message.

3. You have 15 minutes to complete your call, or you will need to call again.

4. Confirm each course you’ve added or dropped. Listen to and follow the prompts so the system will guide you to complete the registration process.

5. Print your schedule at the Enrollment Resource Center, Academic Services Building 101, or online through Goldmine.

Walk-in Registration Information

Common Registration Add Errors

Registration Errors occur when there is a conflict between how the courses is set-up in the system and how the individual student is classified. Course requirements can be viewed in the latest editions of the Undergraduate and Graduate catalogs. Classification and student status can be viewed through Goldmine Web via my.utep.edu.

REGISTRATION INFORMATION

Registration Frequently Asked Questions

When do I register?
Refer to pp. 4-5 of this Schedule of Classes for important registration dates. Priority Registration dates can be found on page 24. Please also check your UTEP email account for notification on registration information and account holds.

What courses are available?
A real-time listing of course availability for the semester is available online by logging on to Goldmine via my.utep.edu. Follow the links Term Course Schedule → Class Schedule Search. Additional information on how to search for classes is available on p.27.

What level courses may I enroll in?
The ability to register in certain courses depends upon the level of the student.
- Undergraduate (UG) students may enroll only in undergraduate courses. Permission to enroll in graduate courses must be granted by the Graduate School.
- Graduate (GR) students may enroll in either graduate or undergraduate courses. Check with the Graduate School for any enrollment restrictions.
- Doctoral (DR) students may enroll in either doctoral, graduate, or undergraduate courses.

How do I determine my classification?
Log on to https://my.utep.edu. Select My GPA. Class definitions are listed below. Total hours=UTEP hours earned plus transfer hours, whether or not the hours apply toward your degree.
- Freshman 0-30 hours
- Sophomore 30-59 hours
- Junior 60-89 hours
- Senior 90 or more hours

Newly admitted undergraduate transfer students register under the classification which includes hours transferred, also detailed under My GPA.

What is a part-of-term?
Part of term, also referred to as an Alternate Part of Term, is a phrase used to describe any mini-term/session that meets for an alternate time frame outside the traditional long term. If you are interested in enrolling in these courses by using online or touchtone registration, you must register during the scheduled registration periods for the long semester. To register at other times, ask the department offering the course or visit to the Registration & Records Office.
- Note that you must adhere to the scheduled drop/withdrawal deadlines for the particular part-of-term.
- Contact Student Business Services (915-747-5116) for refund deadlines by parts of term.

I am trying to register and I’m told I have “holds”.
Holds are placed to prevent registration for various reasons. To view your current holds: Log on to Goldmine via my.utep.edu and follow the links Students Services & Financial Aid → Student Records → View Holds. For more information on holds descriptions refer to p. 33.

I get an add error while registering. What do I do?
Add errors provide information on the registration requirements of specific courses.
- Refer to p. 29 for a listing of add error messages and their meaning
- You can also access the catalog description of the course by clicking View Catalog Entry on Goldmine
- If you’d like to look at your transcript, it’s available by following the links Student Services & Financial Aid → Student Records, Academic Transcript → Submit.
- If you still have questions, check with your Academic Advisor or with the department offering the course.

What is the Wait List?
An academic department may set up a Wait List for a course. If this option is available a student may place themselves on the Wait List when the course is closed by using Goldmine. Being placed on a Wait List does not mean you are registered in the course. The department teaching the course will decide on whether to register you into the closed course. It is recommended that you check periodically on your registration status with the department prior to the close of late registration. Should you wish to remove yourself from the Wait List, you may do so in Goldmine prior to the close of late registration. To drop the Wait List course from your schedule go to the Add/Drop form in Goldmine and select the “Drop from Course Wait List” option. Unresolved Wait Lists will be deleted by the census day for the term.

Can I register in absentia?
Yes, you can! If you have internet access register via Goldmine (See p. 25). If you are unable to register via the web you can designate someone to do it for you by doing the following:
1. You must write a letter authorizing that person to register you for your classes
2. Provide a clear copy of a signed valid photo ID.
3. Designee must have a current photo ID at the time s/he submits the letter to the Registration & Records Office.

How do I drop a course?
Log on to Goldmine via my.utep.edu and follow the links Student Services & Financial Aid → Registration → Add/Drop Classes. Classes dropped prior to the official census date of any term or part of term will be deleted from your semester record. If you drop a course after the official census date but prior to the course drop deadline (“automatic W”), you will receive a grade of “W” If you drop a course after the course drop deadline, a grade of “W” can be assigned only under exceptional circumstances and only with the instructor’s and department chair’s approval. You may petition for a “W” grade in writing and must provide supporting documentation to the instructor.

How do I completely withdraw from my classes for this term?
A complete withdrawal is dropping all courses for a term. A complete withdrawal can be done in one of three ways:
1. Visit the Registration & Records,
Beginning Fall 2006, students are charged a $200 fee if registered or re-enrolled after census day. This fee does not replace the Late Registration Fee.

**How do I prove I’m enrolled?**

Now you can do enrollment verification activities without contacting the Registration & Records Office. Go to https://my.utep.edu and click the National Student Clearinghouse link. Going through your portal page will identify you as a student of UTEP and will make several services available to you at no cost.

**What is a course repeat fee?**

Beginning Fall 2005, students are charged $100 per semester credit hour for each course enroll in for a third time. The rule applies to courses you’ve taken or attempted since September 2002. i.e. If you enrolled in a course, received an F; enrolled in the course a second time, withdrew from the class; and are now registered a third time, you will see an additional fee of $300 in addition to the cost of the course. Assessment of the repeat fee is irrespective if you need the course for your degree plan or you’ve already earned your bachelor’s at UTEP.

**What is the Six-Course Drop Limit?**

Under section 51.907 of the Texas Education Code, beginning Fall 2007, all first-year students enrolled for the first time at any Texas public college or university are limited to six course drops during their academic career. This includes student and faculty initiated drops and courses dropped at other Texas public institutions. This policy does not apply to courses dropped prior to census day or to complete withdrawal from all courses for the semester. First-time first-year students must meet with their academic advisor (or department chair of their major if they do not have an advisor) before dropping a course. The advisor will determine if the drop will count toward the six-drop limit.

Students are encouraged to discuss options with their professors, advisors and to make use of campus resources before deciding to drop a course. Once the six course drop limit has been reached, subsequent drops will be recorded with grades of WF.

For further information contact the Registration & Records Office, 123 Academic Services Building, call (915) 747-5544, or go to http://www.utep.edu/register

**What is a Personal Identification Number (PIN)?**

Students are required to have a 6-digit PIN to access TOUCHTONE online registration. The USER ID is the UTEP ID NUMBER, the PIN is a 6-digit unique number. For security purposes, students are encouraged to change their PIN periodically through TOUCHTONE or GOLDMINE. DO NOT USE YOUR BIRTHDAY. To obtain your initial PIN, contact the HELPDESK at 915/747-5257, or go to http://www.utep.edu/register, and click on FAQs

**How do I change my address?**

University correspondence will be sent to the current mailing address on file. Simply log onto Goldmine via my.utep.edu and follow the links Personal Information View/Update Address to make updates. You may also notify the Registration & Records office of updates in person, by mail, fax @915/747-8764, or via email (registrar@utep.edu) of a change in mailing address. If you notify the office by mail or fax, be sure to sign your request and to include a clear copy of a current picture ID. Email requests are accepted only from your “utep.edu” email address.

**How do I change my name or social security number with UTEP?**

Students wishing to make any changes must come to the Records & Registration Office with the following documentation:

- Name changes: Original or certified copy of a marriage license, court order, divorce decree, or US Government-issued document (i.e. social security card, passport, visa, green card) AND a valid photo identification card.
- Social Security Number changes: Current social security card and a valid photo identification card.

**Where do I find out about graduation procedures?**

How many hours can I take at once?
You are permitted to register each term for the credit hours listed below:

Undergraduate Students
Fall 21 credit hours
Spring 24 credit hours, including Wintermester
Summer 9 credit hours

Graduate & Doctoral Students
Fall 15 credit hours
Spring 18 credit hours, including Wintermester
Summer 9 credit hours

How many hours is considered full-time?
UTEP uses the following categories for enrollment verification to financial aid, loan agencies, insurance companies, scholarships, etc… Students are encouraged to enroll in the appropriate number of credit hours as required by applicable agencies or programs. UTEP recommends that VA students consult with the campus Veterans Affairs Office. Those participating in the Career and Professional Development Services Cooperative Education Program and are enrolled only in a CO-OP course, will be classified as full-time for the semester/term.

Undergraduate Students Course Enrollment Loads per Term
Fall and Spring
Full-time 12 or more hours
3/4 time 9-11 hours
1/2 time 6-8 hours
Less than 1/2 5 for fewer

Summer
Full-time 6 or more hours
3/4 time 4-5 hours
1/2 time 3 hours
Less than 1/2 2 for fewer

Graduate/Doctoral Students Course Enrollment Loads per Term
Fall and Spring
Full-time 9 or more hours
3/4 time 6-8 hours
1/2 time 4-5 hours
Less than 1/2 3 for fewer

Summer
Full-time 3 or more hours
1/2 time 2 hours
Less than 1/2 1 for fewer

If you are a graduate or doctoral student, the full time classification applies to criteria for employment as teaching and research assistants and for receipt of stipends and scholarships. It represents a minimum standard and individual programs may require students to enroll in more hours to qualify for support. Master’s degree students who have completed all requirements for the degree except the second semester of the master’s thesis (5399) and who were full time students in the immediately preceding fall or spring semester are classified by the Graduate School as full time if enrolled in 3 hours of dissertation. This applies to a single final semester only.

Doctoral degree students who have completed all requirements for the degree except the dissertation (6398/6399 or 6320/6321) and who were full time students in the immediately preceding fall or spring semester are classified by the Graduate School as full time in enrolled in 3 hours of dissertation. This applies to two final semesters of dissertation work only.

What do I do if I want to enroll in more than the maximum hours allowed?
Students who wish to take an overload must obtain prior authorization. Undergraduate students should acquire approval from their academic dean. Graduate and doctoral students need approval from the Graduate Student Services Office. A Course Waiver Form must be submitted to the Registration and Records Office.

What if I can’t register for the number of hours shown above?
Course load conditions can be imposed by an advisor or dean in accordance with standards of Academic Performance.

Your Social Security Number (SSN)
Mandatory disclosure of your social security number
To comply with federal and or state statutes, disclosure of your SSN is required of all students (except those international students with out one) & UTEP employees. If you are asked to disclose your SSN to UTEP, you will be notified of the statutory authority under which your SSN is being solicited.
Disclosure of your SSN is required for UTEP to report, calculate and track the following:
• Providing enrollment information to State of Texas
• Accounting for Federal Financial Aid awards to UTEP students as required by the Department of Education and state agencies
• Reporting tuition and fee payments by students to comply with the Internal Revenue Service tax credit available under the Tax Relief Act of 1997; and
• Processing employment and reporting compensation to the Internal Revenue Service, Social Security Administration (SSA), and other federal or state agencies.
• Further disclosure of your SSN will be governed by the Texas Public Information Act, Texas Government Code, Section 552.001 et seq.

Additional information can be found at the following web sites:
http://www.utsystem.edu/BPM/66.htm
http://www.usdoj.gov/04foia/privstat.htm
If you have questions, contact the Office of the Vice President for Business Affairs.

UTEP Identification Number
In an effort to protect the confidentiality of your Social Security Number (SSN) and deter identity theft on campus, The University of Texas at El Paso (UTEP) assigns you a unique UTEP Identification Number. This unique ID number is your key to all official academic and business transactions on campus. It will also grant you access to valuable campus resources and services. If you have a student ID number that begins with a D00 or @00, those numbers have been replaced with your assigned UTEP Identification Number.

Final Examinations

Exam Policy
Exemption from final examination may not be given. Final examinations are scheduled to be two hours, forty-five minutes in length and take place during the final examination period. It is the policy of the university not to administer a second final examination in the course. It is also university policy that students shall not have more than two final examinations in a single day. In the unlikely event that the examination schedule results in a student having three final examinations on a single day, the faculty member upon the request of the student shall reschedule the second of that student’s three examinations.

 Listed to the right are the final examination schedules. It is the student’s responsibility to check this schedule carefully. Confusion as to the exam time will not be accepted as a valid reason for missing an examination.

Alternate Part of Term Exams
Alternate Part of Term exams follow a different exam schedule. Final exam dates for Alternate Part of Term courses are listed on p. 5 under the Alternate Part of Term Important Dates.

LEARNING COMMUNITIES QUICK REFERENCE

Let’s face it; college takes getting used to

- The campus is huge
- The faces are new
- The pace is fast
- The courses are demanding
- The workloads are intense

Learning communities help you

- Build friendships with other students
- Work closely with faculty
- Learn how to connect ideas across different courses
- Build a convenient class schedule
- Improve your grades.

What are Learning Communities?

You and your “community” (usually 20-25 students) enroll together in two or three linked courses as a scheduled block. You attend your linked courses together; for example, you might attend the same sections of UNIV and history. Sharing courses this way helps you form friendships and study groups quickly while learning together. Some assignments may also be integrated - you might be asked to write a journal entry in your UNIV class about a chapter assigned in history. Learning communities help you make connections between content in different courses, develop teamwork and leadership skills, and increase your opportunity for academic success.

How do I register for a Learning Community?

To register for a learning community, enter all of the CRNs (the five-digit Course Reference Number) listed under the learning community into Goldmine/TTR before selecting “Save.” The Goldmine System will require you to register for all of the courses within the learning community. By failing to enter all CRNs, you will receive a “co-requisite error,” which will list the other course(s) for which you need to register to complete your enrollment in the learning community. By failing to enter all CRNs, you will receive a “co-requisite error,” which will list the other course(s) for which you need to register to complete your enrollment in the learning community. By failing to enter all CRNs, you will receive a “co-requisite error,” which will list the other course(s) for which you need to register to complete your enrollment in the learning community. Concurrent enrollment in all sections is required through Census Day.

What is Instructional Support Services?
Instructional Support Services (ISS) serves as the principal organization on campus for the design, delivery, and evaluation of distance education. ISS is committed to delivering quality instruction to all students and meeting the educational needs of the non-traditional student.

What is Distance Education?
The United States Distance Learning Association (USDLA) definition: “The acquisition of knowledge and skills through mediated information and instruction, encompassing all technologies and other forms of learning at a distance.”

Why Distance Education?
The American educational system is challenged with providing increased educational opportunities to non-traditional students without an increase in budgets. Many educational institutions, like UTEP, are answering this need by developing a distance education program. In conjunction with the UT TeleCampus, UTEP has been able to incorporate many cost effective measures and deliver a quality distance education to its students.

What is a non-traditional student?
Typically, this can be a broad range of people that simply cannot afford the time or inconvenience of attending a four-year institution in person. Other factors may include, but are not limited to, physical disability, distance to the institution, employment conditions, or military status.

Is Distance Education Effective?
In a word... yes! Extensive research has been done comparing effective distance learning to the traditional face-to-face instruction and the results are that both are comparable.

Are there additional Distance Learning Fees?
For all courses offered via the UT TeleCampus, there is a fee of $25/credit hour for Undergraduate Courses and a $50/credit hour for Graduate courses. Note that if you are enrolled in ONLY distance learning courses through the UT Telecampus, the following fees are waived: Activity Fee, Union Fee and Recreation Fee. UTEP Distance Learning Courses delivered through WebCT are not eligible for these fee waivers.

What is the UT TeleCampus?
The UT TeleCampus (UTTC) offers online courses and degrees for the University of Texas System and “is a service-driven, central support system for online education initiatives” for all fifteen campuses in the UT System. All of the UTTC graduate and undergraduate distance learning courses utilize only interactive Internet Web-based delivery using Blackboard via the UT TeleCampus at http://www.uttc.org OR using WebCT via the UTEP Portal at http://my.utep.edu. See p. 42 for current UTEP UTTC offerings.

What are WebCT courses?
WebCT courses are 100% on-line courses that are offered only to the UTEP campus. These courses are delivered via the WebCT link available through http://my.utep.edu. Currently no additional distance learning fees are applied to these courses. Courses available under this category are listed on p. 44.

How do I register for Distance Learning Courses?
Register for Distance Learning Courses originating from UTEP via Goldmine. Steps for registration are detailed starting on p. 25.
