About Drunk Driving

Drunk driving is a very frequent problem in our society even though there are plenty of advertisements for preventing such actions. It is also punishable by law, yet people still think that it is impossible for it to happen to them. They do not realize that they are not the only ones affected if something bad happens while being intoxicated.

Call To Action

in order to prevent drunk driving and ensure the number of victims decreases

1. Sobriety checkpoints need to be put into practice
2. Implementation of the Ignition Interlock Device (IID)
3. Action taken by the Community
   a. Designated Drivers
   b. Be active in your city’s legislation
