Can I ban handguns in my private office?

The occupant of an office to which the occupant has been solely assigned and is not generally open to the public is permitted, at the occupant's discretion, to prohibit the concealed carry of a handgun in that office. An occupant who chooses to exercise this discretion must provide oral notice that the concealed carry of a handgun in the occupant's office is prohibited. The use of signage to identify an office as an exclusion area does not satisfy notification requirements. If the occupant's duties ordinarily entail meeting people who may be license holders, the occupant must make reasonable arrangements to meet them in another location.

What do I do if I see a handgun or other type of weapon at UTEP?

Call the University Police at 747-5611 or dial 911 if you see any individual on campus with a handgun or other type of weapon. University Police will respond and resolve the situation appropriately. Violations of the concealed carry policy will be adjudicated through the campus conduct process and/or the legal system.

Creating and maintaining a welcoming environment for the campus community and all visitors is our top priority at The University of Texas at El Paso (UTEP). Beginning August 1, 2016, individuals with a Texas concealed handgun license (CHL) will be allowed to carry concealed handguns on the UTEP campus. As a public university in Texas, UTEP has an obligation to follow any and all state laws and will continue to do so unless changes are mandated through the legislative process of the State of Texas.

What is concealed carry?

The Texas Department of Public Safety defines a concealed handgun as a handgun, the presence of which is not openly discernible to the ordinary observation of a reasonable person. This same definition is utilized at UTEP. At all times, the handgun must be on or about the license holder's body or secured and concealed safely. An individual's right to carry a concealed handgun is governed by specific legislative and institutional requirements.

Is concealed carry allowed throughout campus?

University presidents have been given the authority to enact “reasonable rules and regulations” pertaining to campus carry but the rules may not either “generally prohibit” or “have the effect of generally prohibiting” license holders from carrying concealed handguns on campus. UTEP has identified a number of exclusion areas where handguns will not be permitted, including but not limited to:

- University Child Care Center
- Patient Care Facilities
- Select Research Labs
- Intercollegiate Athletic Events
- Miner Canyon and Miner Heights Residence Halls
