Bachelor of Science in Nursing
Fast Track Program
(BSNFT)

Summary: The Bachelor of Science in Nursing Fast Track Program (BSNFT) is a 15-month, accelerated program designed for second-degree students interested in making a career change. Students will be accepted into the program with any baccalaureate degree, but they must still meet the admissions requirements for the School of Nursing including completion of required pre-requisite courses with a GPA of at least 2.5 and an overall GPA of at least 2.5. Additionally, candidates for admission must take the Nurse Entrance Test and score at the high school level or above on the reading and math sections of this nationally standardized test. Students must also commit to full time enrollment status.

Director: Karen C. Lyon, PhD, APRN, CNS, CNOR, BC
Clinical Associate Professor
(915) 747-7279
kclyon@utep.edu

Financial Support: Tenet Foundation has provided a $465,000 grant to support the BSN Fast Track Program.
