Important Payment Information

Your Fall 2011 Financial Aid refund cannot be used to pay prior balances therefore; you are responsible for paying your prior balances within ten business days of receiving your Fall 2011 Financial Aid refund. Failure to do so will result in a financial hold that will prevent future registrations until your account is brought current.

When do I pay for my classes?

Fall 2011 Tuition and Fees Payment Deadline for Fall Registration (3/28 - 8/14) is August 15, 2011.

!!!Note that if you are registered for any part of term that begins prior to August 15, tuition and fees are due on the 1st day of class for the part of term. See the Alternate Parts-of-Term Schedule online to determine deadline!!!

Payment Options

Pay All – Pay in full.
Pay Now – Pay the first 20% of total tuition and fees assessed and defer the balance through the EasyPay Installment Tuition Loan option into five equal payments.
Pay Nothing Now – Apply for the Emergency Tuition Loan option. This will divide total tuition and fees into five equal installment payments of 20%, and lend the amount of the first installment payment to then be due on Nov. 19, 2011.

For payment options #2 and #3, go to loans.utep.edu.

Email Notification

Invoices, installment and emergency loan payment deadlines will be sent via email. Please note that this notification will only be sent to miners.utep.edu email addresses. If you do not have a miners.utep.edu email address, obtain one. Without one, you will not receive any notifications during the term. You can obtain your miners.utep.edu email address by logging on to the following website: newaccount.utep.edu.
Tuition Invoice
The tuition invoice will include assessed tuition and fees and your class schedule. Also reflected on the invoice will be any credits you may have from financial aid or scholarship awards. If you registered before August 1, 2011 and you did not receive your Invoice by email on August 1, 2011, log on to Goldmine via my.utep.edu and select Invoice option. Note that you are obligated to meet the payment deadline whether or not you receive an invoice.

Where can I locate the most current financial information regarding my registration?
For students who register or who make changes to their initial registration after August 1, 2011, an updated schedule and invoice can be viewed and printed through my.utep.edu; click on Goldmine and then select Invoice option.

How can I pay for my Invoice?
The University accepts Cash, Check, MasterCard, Visa, Discover and American Express. Credit card payments must be made online at my.utep.edu. Please note cash payments must be made in person at the Student Business Services Office. Checks are accepted over the web, in person, or by mail; please include your student ID number, state, and driver’s license number on your paper check. If you are mailing your payment, the payment must be received by the close of business on payment deadline due date. DO NOT MAIL CASH. A non-refundable fee of $25.00 will be assessed for each returned check.

How do I obtain residency for tuition purposes?
The Admissions Office (915/747-5890) is responsible for determining the official residency for undergraduate students. The Graduate Office (915/747-5491) is responsible for determining the residency for Graduate students. To ensure that your invoice is correct, you must resolve all residency issues BEFORE you begin the registration process.

What if I cannot pay my entire invoice amount by the payment deadline?
Under the installment tuition loan, you must pay 20% of assessed tuition and fees by the published payment due date (if you do not have the funds to pay the required 20% of assessed tuition and fees, please refer to the next question explaining tuition loans). You then pay the remaining tuition and fees balance in four equal installments – due on the 15th of each month (if the 15th falls on the weekend or a Holiday, it will be due the next business day). Contact Student Business Services at 915/747-5116 if you have any questions.

How can I apply for a tuition loan?
To apply, go to loans.utep.edu. This loan covers 20% of the assessed tuition and fees and will automatically set up the installment tuition plan for the rest of the assessed tuition and fees. To be eligible to apply for a tuition loan, your account has to be current. You must pay all prior debts to UTEP before requesting this short term loan. If you do not have access to a computer or are having problems finalizing the loan, visit the Financial Aid office on the 2nd floor of the Academic Services Building Between 8:00 a.m. – 5:00 p.m. Loans will be available starting August 1, 2011.

Refund Policy
Refund policies are established by and subject to change by the legislature of the State of Texas and are applicable to withdrawals and dropped courses. Please visit the Student Business Services Refund Schedule at: http://finsvcs.utep.edu/StudentBusinessServices/Current/RefundSchedule.aspx

Do I receive a refund for a dropped class?
You are eligible to receive a refund of applicable tuition and fees for dropped courses provided the course(s) are dropped prior to the part of term’s census date and that you remain enrolled for the part of term. You must submit a Student Drop Form to the Registration and Records Office on or before the Course Drop Deadline to be eligible for a refund. To view the drop schedule online visit the Student Business Services website, select Course Drop Deadline under the Important Dates menu.

If I have to withdraw from UTEP, do I receive a refund?
- Percentage of refund is based on total tuition and fees assessed, not on amount paid.
- Unless you process a complete withdrawal from school prior to the first official class day, you are responsible for a percentage of assessed tuition and fees. Please contact the Student Business Services Office if you have any questions.

To view the refund schedule on the Student Business Services website select Refund Schedule under the Important Dates menu. If your tuition was paid through federal financial assistance (Pell Grant, Supplemental Educational Opportunity Grant, Federal Perkins Loan, Federal Stafford loan, or Federal PLUS loan), refer to the “Return of Title IV Funds” information on the Student Business Services website.
How is my refund processed?
Refunds are processed by the Student Business Services Office based on the original method of payment.
- Credit card payments will be refunded by check unless you call 915/747-5116 to make arrangements to return funds back to the credit card.
- Cash and check payments are refunded by check. (Allow 5 working days).
- Payments on your behalf by a sponsor or scholarship are refunded to the original source.
- Title IV aid (Pell Grant, Supplemental Educational Opportunity Grant, Federal Perkins Loan, Federal Stafford Loan, or Federal PLUS Loan) is refunded back to the original source.

Return of Title IV Funds
In addition to institutional policies and procedures regarding refunds, students receiving Title IV funds will be subject to a separate calculation to determine the return of any Title IV funds. The federal formula provides a return of Title IV aid if the student received federal financial assistance in the form of a Pell Grant; Supplemental Educational Opportunity Grant; Federal Perkins Loan; Federal Stafford or PLUS loan and withdrew on or before completing 60 percent of the semester. The percentage of the refund is equal to the number of calendar days remaining in the semester.

If any refund remains after the required return of Title IV aid, the refund will be used to repay UTEP funds, state funds, other private sources and the student in proportion to the amount paid by each non-federal source, as long as there was no unpaid balance; then all aid sources will be repaid before any refund is paid to the student.

Worksheets used to determine the amount of refund or repayments are available upon request. Example: Paydirt Pete completely withdraws on the third week of school (17th calendar day into the semester). The number of calendar days in the semester is 54. He had $500 in Federal Pell and was charged $438 in tuition and fees. Under the federal Return of Title IV Aid policy, this student would owe $20.98.

The provisions of this Schedule of Classes do not constitute a contract, express or implied, between any applicant, student or faculty member and the University of Texas at El Paso or the University of Texas System. The University of Texas at El Paso reserves the right to add or withdraw courses at any time, to change fees or tuition, calendar, curriculum, degree requirements, graduation procedures, and any other requirements affecting students. **FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT**

FERPA affords students certain rights with respect to their education records. These rights are:

*The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access.*

Students should submit to the Vice President for Finance and Administration written requests that identify the record(s) they wish to inspect. The Vice President for Finance and Administration will make arrangements for access and notify the student of the time and place where the records may be inspected.

*The right to request the amendment of the student’s education records that the student believes is inaccurate or misleading.* A student who believes that his or her education records are inaccurate or misleading, or that the records violate his or her privacy rights, may informally discuss amendment of the record with the university office or agency concerned with the particular record. If agreement is reached with respect to the student’s request, the appropriate records will be amended. (Note: The substantive judgment of a faculty member about a student’s work, expressed in grades and/or evaluations, is not within the purview of this right to seek amendment of education records.) If the record is not amended pursuant to the student’s request, the university will inform the student of its decision and of the student’s right to request a formal hearing. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
The right to consent to disclosures of the personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is defined as a person employed by the University in an administrative, supervisory, academic, or support staff position (including law enforcement unit and health staff); a person or company with whom the University has contracted (such as an attorney, or collection agent); a person serving on the Board of Trustees; or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll or is enrolled.

The right to request that directory information not be disclosed to the public. “Directory Information” means information in a student’s education record that would not generally be considered harmful or an invasion of privacy if disclosed. The University of Texas System component institutions policies will designate the following minimum information as directory information: student’s name; local and permanent address; email address; telephone number; date and place of birth; field of study; dates of attendance; enrollment status; student classification; degrees, certificates and awards (including scholarships) received; photographs; participation in officially recognized activities and sports; weight and height of members of athletic teams; and the most recent previous educational agency or institution attended. Directory information may appear in public documents and may otherwise be disclosed without student consent unless a student submits a written request to the registrar during the first 12 class days of a fall or spring semester or during the first 4 class days of a summer semester to withhold such information from disclosure. Requests to withhold directory information will be honored by the University for only the current enrollment period; therefore, a request to withhold Directory Information must be filed each semester or term in the Registration and Records Office.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:
